IN MEMORY

Only for Mrs. Evelyn Turner could the words have been penned. For it so aptly paints a portrait of not only how she lived her daily life as she smilingly worked and walked among us, but of how she will be remembered by everyone for so long as memory will serve.

As a devoted wife and mother, a friend to so many, and a guidance and counsel to all "her children" over the years, she lived to be, and with us all, will ever remain a

...

Lamp of Love

Oh, let me be a lamp of love
Whose flame will never die,
Designed to warm the hearts I meet
As months and years go by.
One gift alone have I to give:
Grant I may use it well
And light the world with kindness
Where only shadows fell.

Oh, let me be a lamp of love,
Whose cheery little glow
Brings hope and consolation
To the people that I know,
And, rising to the highest plane
Wherein all things are true,
Give of myself unselfishly,
Forgetting me for you!

Oh, let me be a lamp of love,
A humble little flame,
Remembering the source of all
Things lovely whence it came.
Reserving nothing, giving all
Expecting no return,
May I become a lamp of love,
Forevermore to burn!

PRESIDENT LELAND BEARDEN

I would like to thank everyone of you for giving me the chance to serve as Student Council President. Student Council has taught me many leadership skills that will help me later on in life. The Student Council is a major asset to our school, and I am proud to have been a part of it.

Being Student Council President requires a lot of hard work, but even so it has been a rewarding experience. Whenever I look back on my years in high school, I will remember my years on the Student Council.

I wish the best of luck to the 1986-87 Student Council. Thanks again for all the fond memories.

Sincerely,
Leland Bearden

FUTURE HOMEMAKERS OF AMERICA

PRESIDENT SHERI PERRY

As FHA President, I have acquired a better understanding of working with people. I have also, learned the necessity of leadership and hard work in getting things done. My last year in FHA has been a rewarding and enjoyable experience that will have a place in my memory for years to come.

I would like to thank Mrs. Cohorn for her support and guidance. I would also like to thank each FHA member for the time and work which was sacrificed to make the 1985-86 school year such a success. Keep up the good work.

Sincerely,
Sheri Perry

Seniors,

A person without knowledge is a person who lives in a world of darkness. The head-band you wear today should reflect the light of graduation opportunities. Good luck, Seniors, and congratulations on the 1986 annual.

Sincerely,

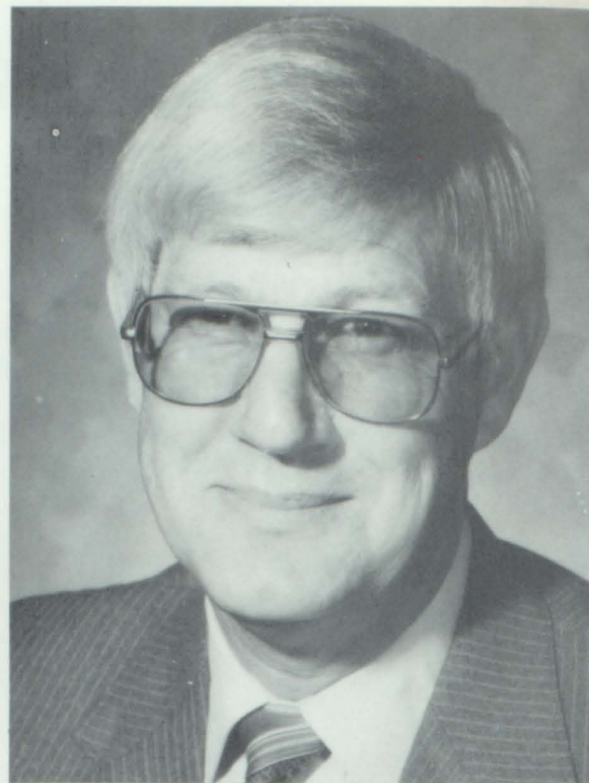

James F. Blake
Superintendent

ADMINISTRATORS: Ricky Mantooth, High School Principal; James Blake, Superintendent; and Henry Hunter, Elementary Principal.

A Fiftieth Anniversary is a symbol of something very special and particularly valued because it has endured the test of time.

Rural Electrification has done this by making living in the country easier all because of a slender line that transformed life in Rural America.
