Shelley!

Well, only one more year after this one! Can you believe it? Soon you'll be married & have lots of babies but not me! HA! HA! I had lots of fun going to cheerleading camp with you this year. This is gonna be a great year.

Maybe you can go to a tournament with me! K?!! It's been great! I'm glad we've

become pretty good friends & just remember I'll always be here for you no matter how far apart we are! We need to skip

school & go to town this year at least we've got our licenses now! The 3 lucky were worth it! Don't you think?

Tears For a Friend

A tear we shed for thee, dear Russ,
For a life that was just beginning.
The warmest memories you gave to us
So sad to think they're ending.

And so we shed another tear
For all our times together.
In our hearts we'll hold you near,
And there you'll stay forever.

Now a final tear for thee
For the pain of letting you go.
Though in the Father's hands you will be,
Your friendship - always - we will know.

STUDENT COUNCIL PRESIDENT

ELAINE BARRAZA

Being Student Council President has been a great honor and a challenging experience. Through Student Council, the relationship between students and teachers can be greatly improved for the benefit of the entire school system. I have learned the importance of responsibility in working with the Student Council members as well as with the student body.

I would like to thank the students, faculty, and administration for their cooperation and for making the 1986-87 school year a memorable one. I hope that the coming year brings good luck to the 1987-88 Student Council President.

Sincerely yours,
Elaine Barraza
