Our paths so long together twined  
Must now go differently,  
And all of us will soon depart  
To join that world away from all.

The souvenirs of friendship  
That we all keep within our hearts  
Will serve to join us still as friends  
Though we may be apart.

The souvenirs will be with us  
To strengthen and cheer  
To let us know that we are friends,  
Although we are not near.

The ups, the downs,  
The smiles, the frowns,  
Through the years we will remember

**THAT'S THE WAY LIFE GOES!**

Seniors:

It's been my pleasure to serve as your superintendent throughout your high school years. I have fond memories of your many accomplishments and the fun times we experienced on the biology field trip.

I am confident that this class is poised for success in real life situations. Best wishes and God bless you.

Congratulations on the 1996 annual.

Sincerely,

Dear 1996 Graduates,

Congratulations! You have now completed the easiest part of life's journey. Have you prepared well? Are you ready for the challenges that await you? The 21st century is upon us and it looks nothing like the time when your parents graduated from high school. High school graduation is not the end of learning, but the beginning. Can you apply what you have learned in school to the tasks and challenges that await you? Can you make a decision on your own and then live with it? Can you adapt to an ever changing society that will force you to draw upon many skills at one time? You are the only one who can answer these questions.

Your time here at Sands High School has prepared you for whatever challenge you undertake. Yes, there will be many times that the road looks very steep and shaky. Do not shy away from it, but attack that steep road, conquer that mountain, and when you get to the top look up into the sky and seize the stars. Take advantage of the opportunities that you will come across, but do not stop there, go beyond and pursue whatever dream you have. No one will do it for you!

I would like to thank the Senior Class of 1996 for the many memories that you have given me and the rest of the faculty. You were an outstanding class with many personalities. When you look back at your "high school" days, remember them fondly, but do not live in the past. Pursue your dreams and live for the future.

Thank you,  
Billy Barnett  
Sands High School Principal

Seniors,

The one thing I would like for you to remember is "Don't Be Afraid to Fail." You've failed many times, although you may not remember. You fell down the first time you tried to walk. You almost drowned the first time you tried to swim. Didn't you? Did you hit the ball the first time you swung a bat? Heavy hitters, the ones who hit the most home runs, also strike out a lot. R.H. Macy failed seven times before his store in New York caught on. Babe Ruth struck out 1,330 times, but he also hit 714 home runs. Don't worry about failure. Worry about the chances you miss when you don't even try.  
May God Bless Each of You.  
Zelda Bilbo
