The '97 Mustang

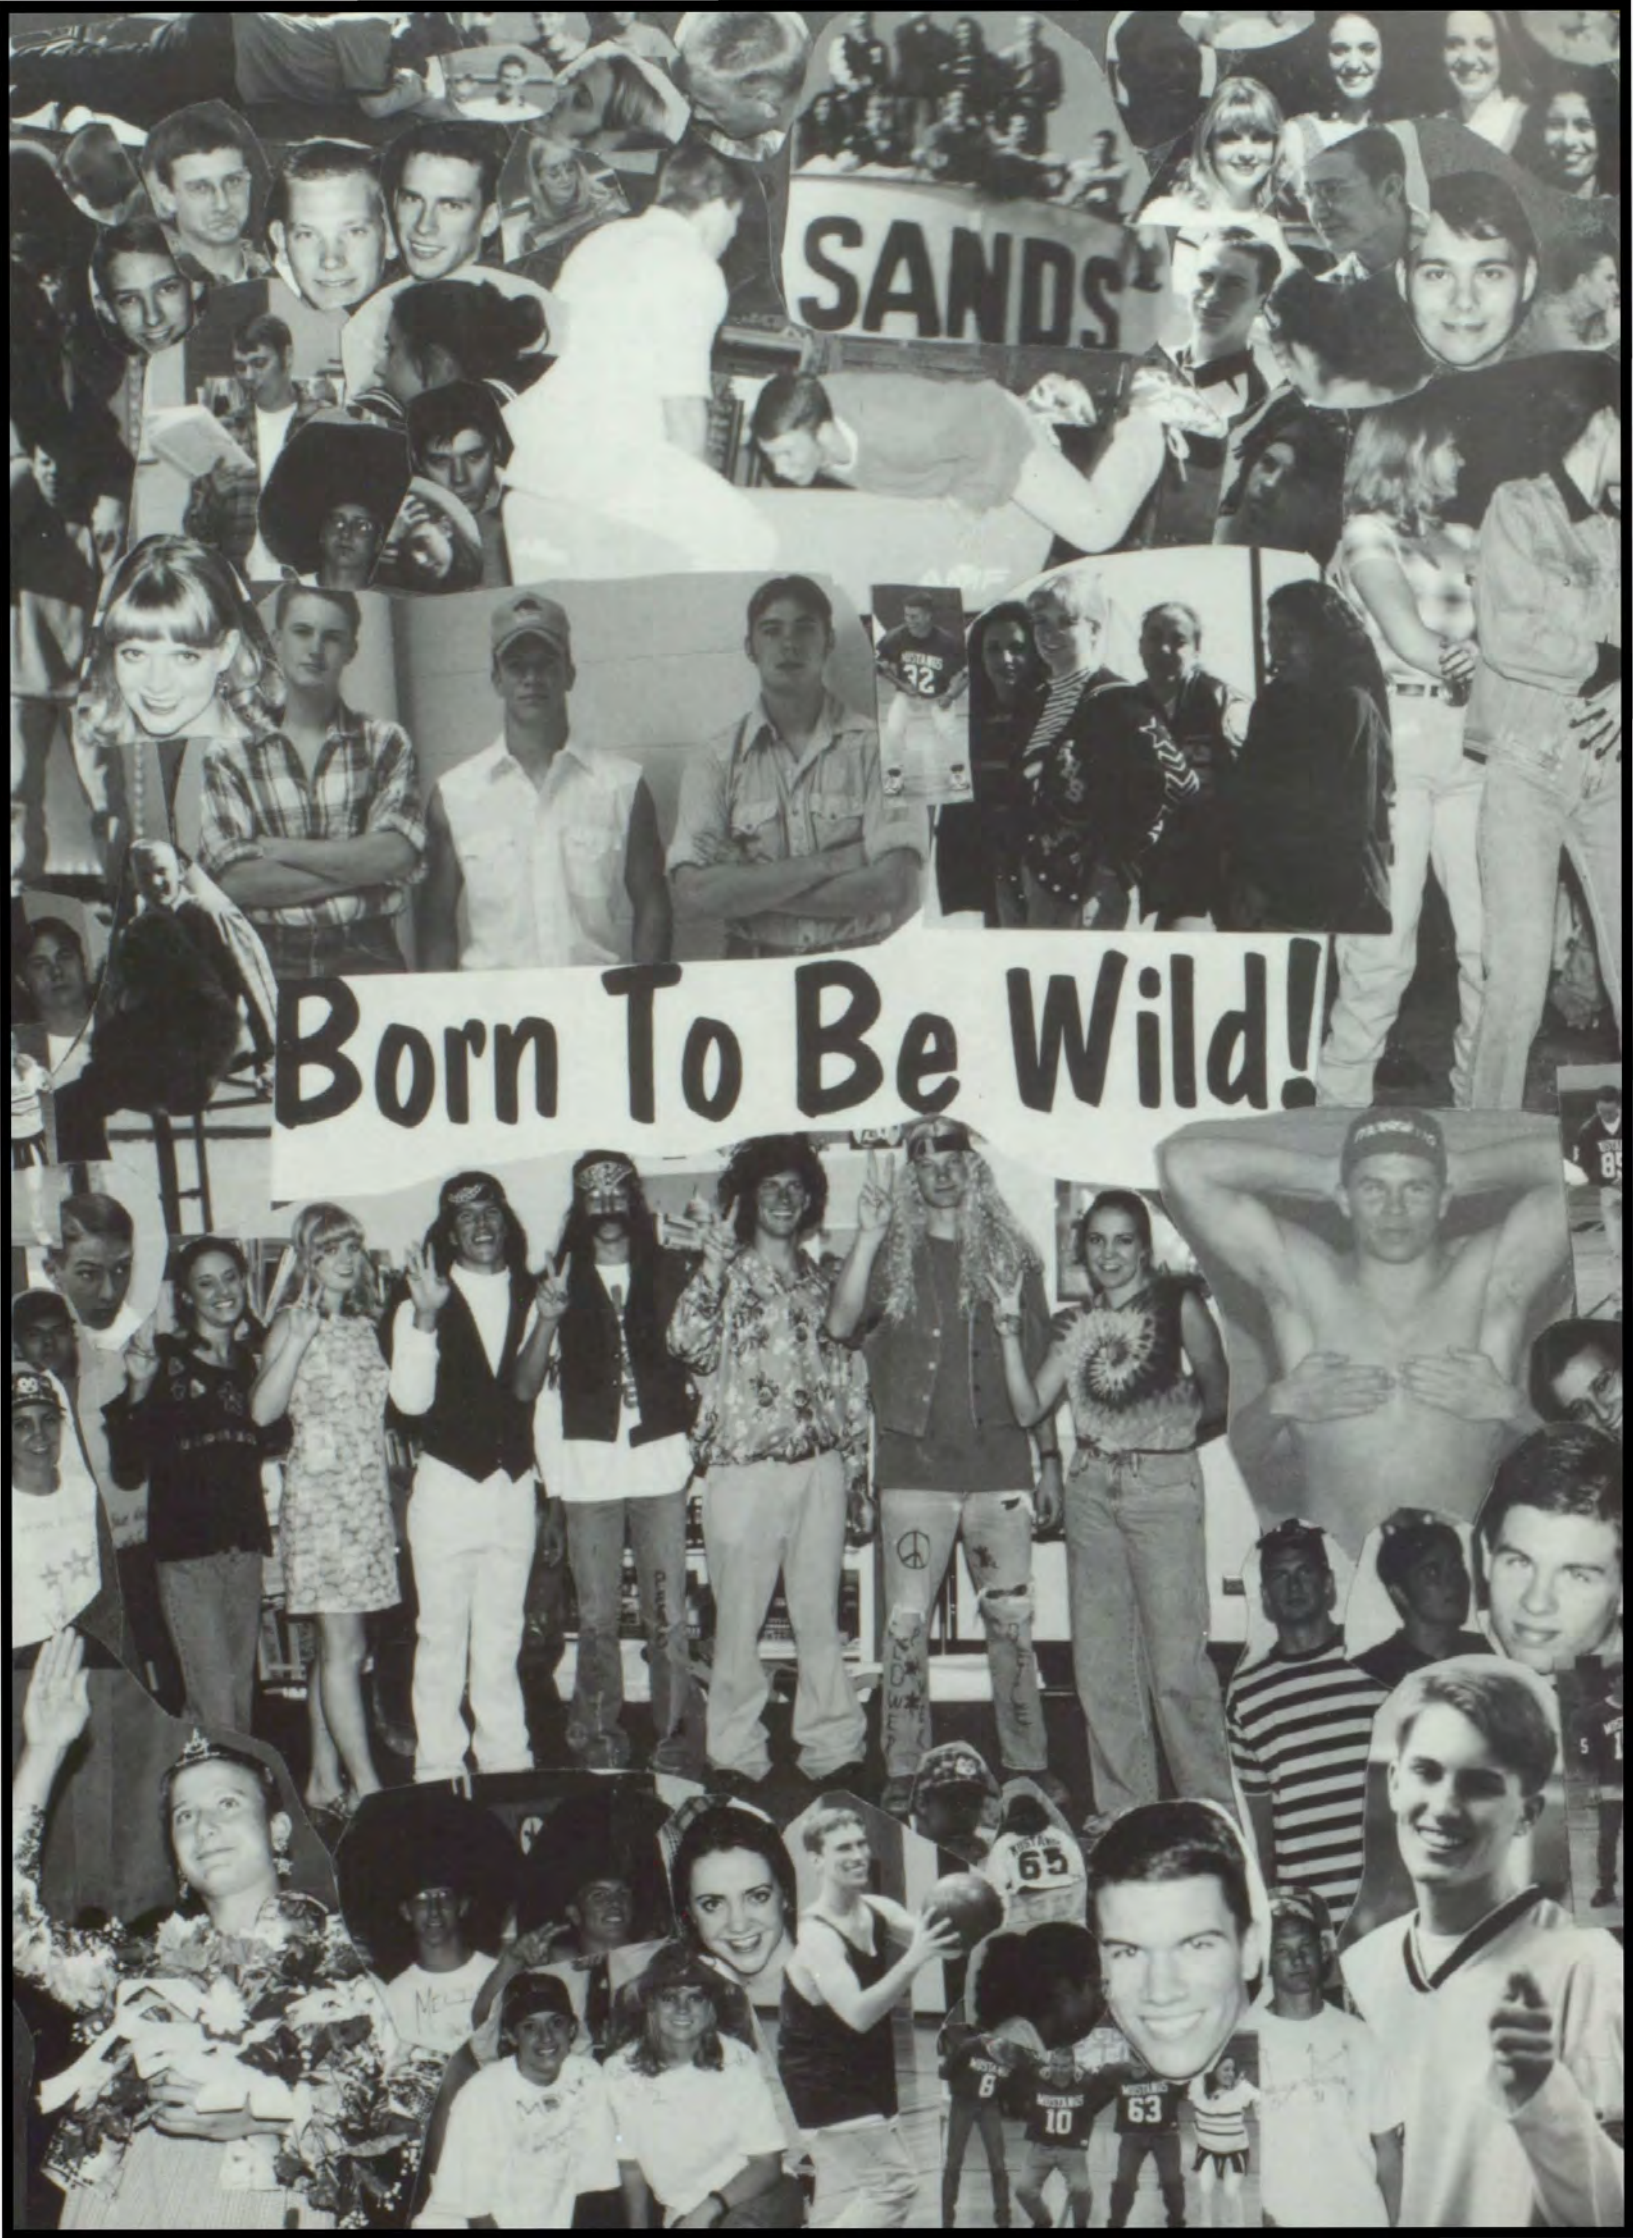

Presents

*Wild Times*

*at*

*Sands High*

Look back to yesterday:  
the games we played;  
the classes we shared;  
the friendships we nurtured.

Look toward the future:  
the goals we achieve;  
the careers we pursue;  
the lives we live.

But first, let's walk on the wild side  
one more time together.  
As through these pages  
we recall the events and people to forever.

### Remember.....

the Boys' basketball game vs. Meadow...      the Girls' basketball game vs. Klondike...  
the short-cut from Paint Rock...

Pal's...      Sodium Experiments...

the Burrito - Buick race...      4th quarter of the Klondike game...

Powerlifting...      Regional Cross Country...

the Great Watermelon Heist...

the Great Bathroom Lock In...

THE WILD, BUT WONDERFUL, CLASS OF '97!!

Hey, Pebbles! Where's Bam-Bam?

I do my little turn on the catwalk.

I'm strong to the finish, cause I eats me spinach . . .

Cutest Smile? — I think so!

And the winner for Best Actress is . . .

Mom, I think I'd rather be a cheerleader.

Hey, Baby, are your legs tired? — Cause you've been running through my mind all day.

Romeo, Romeo, wherefore art thou, ??

Milk — it does a body good.

How do you spell "relief"?

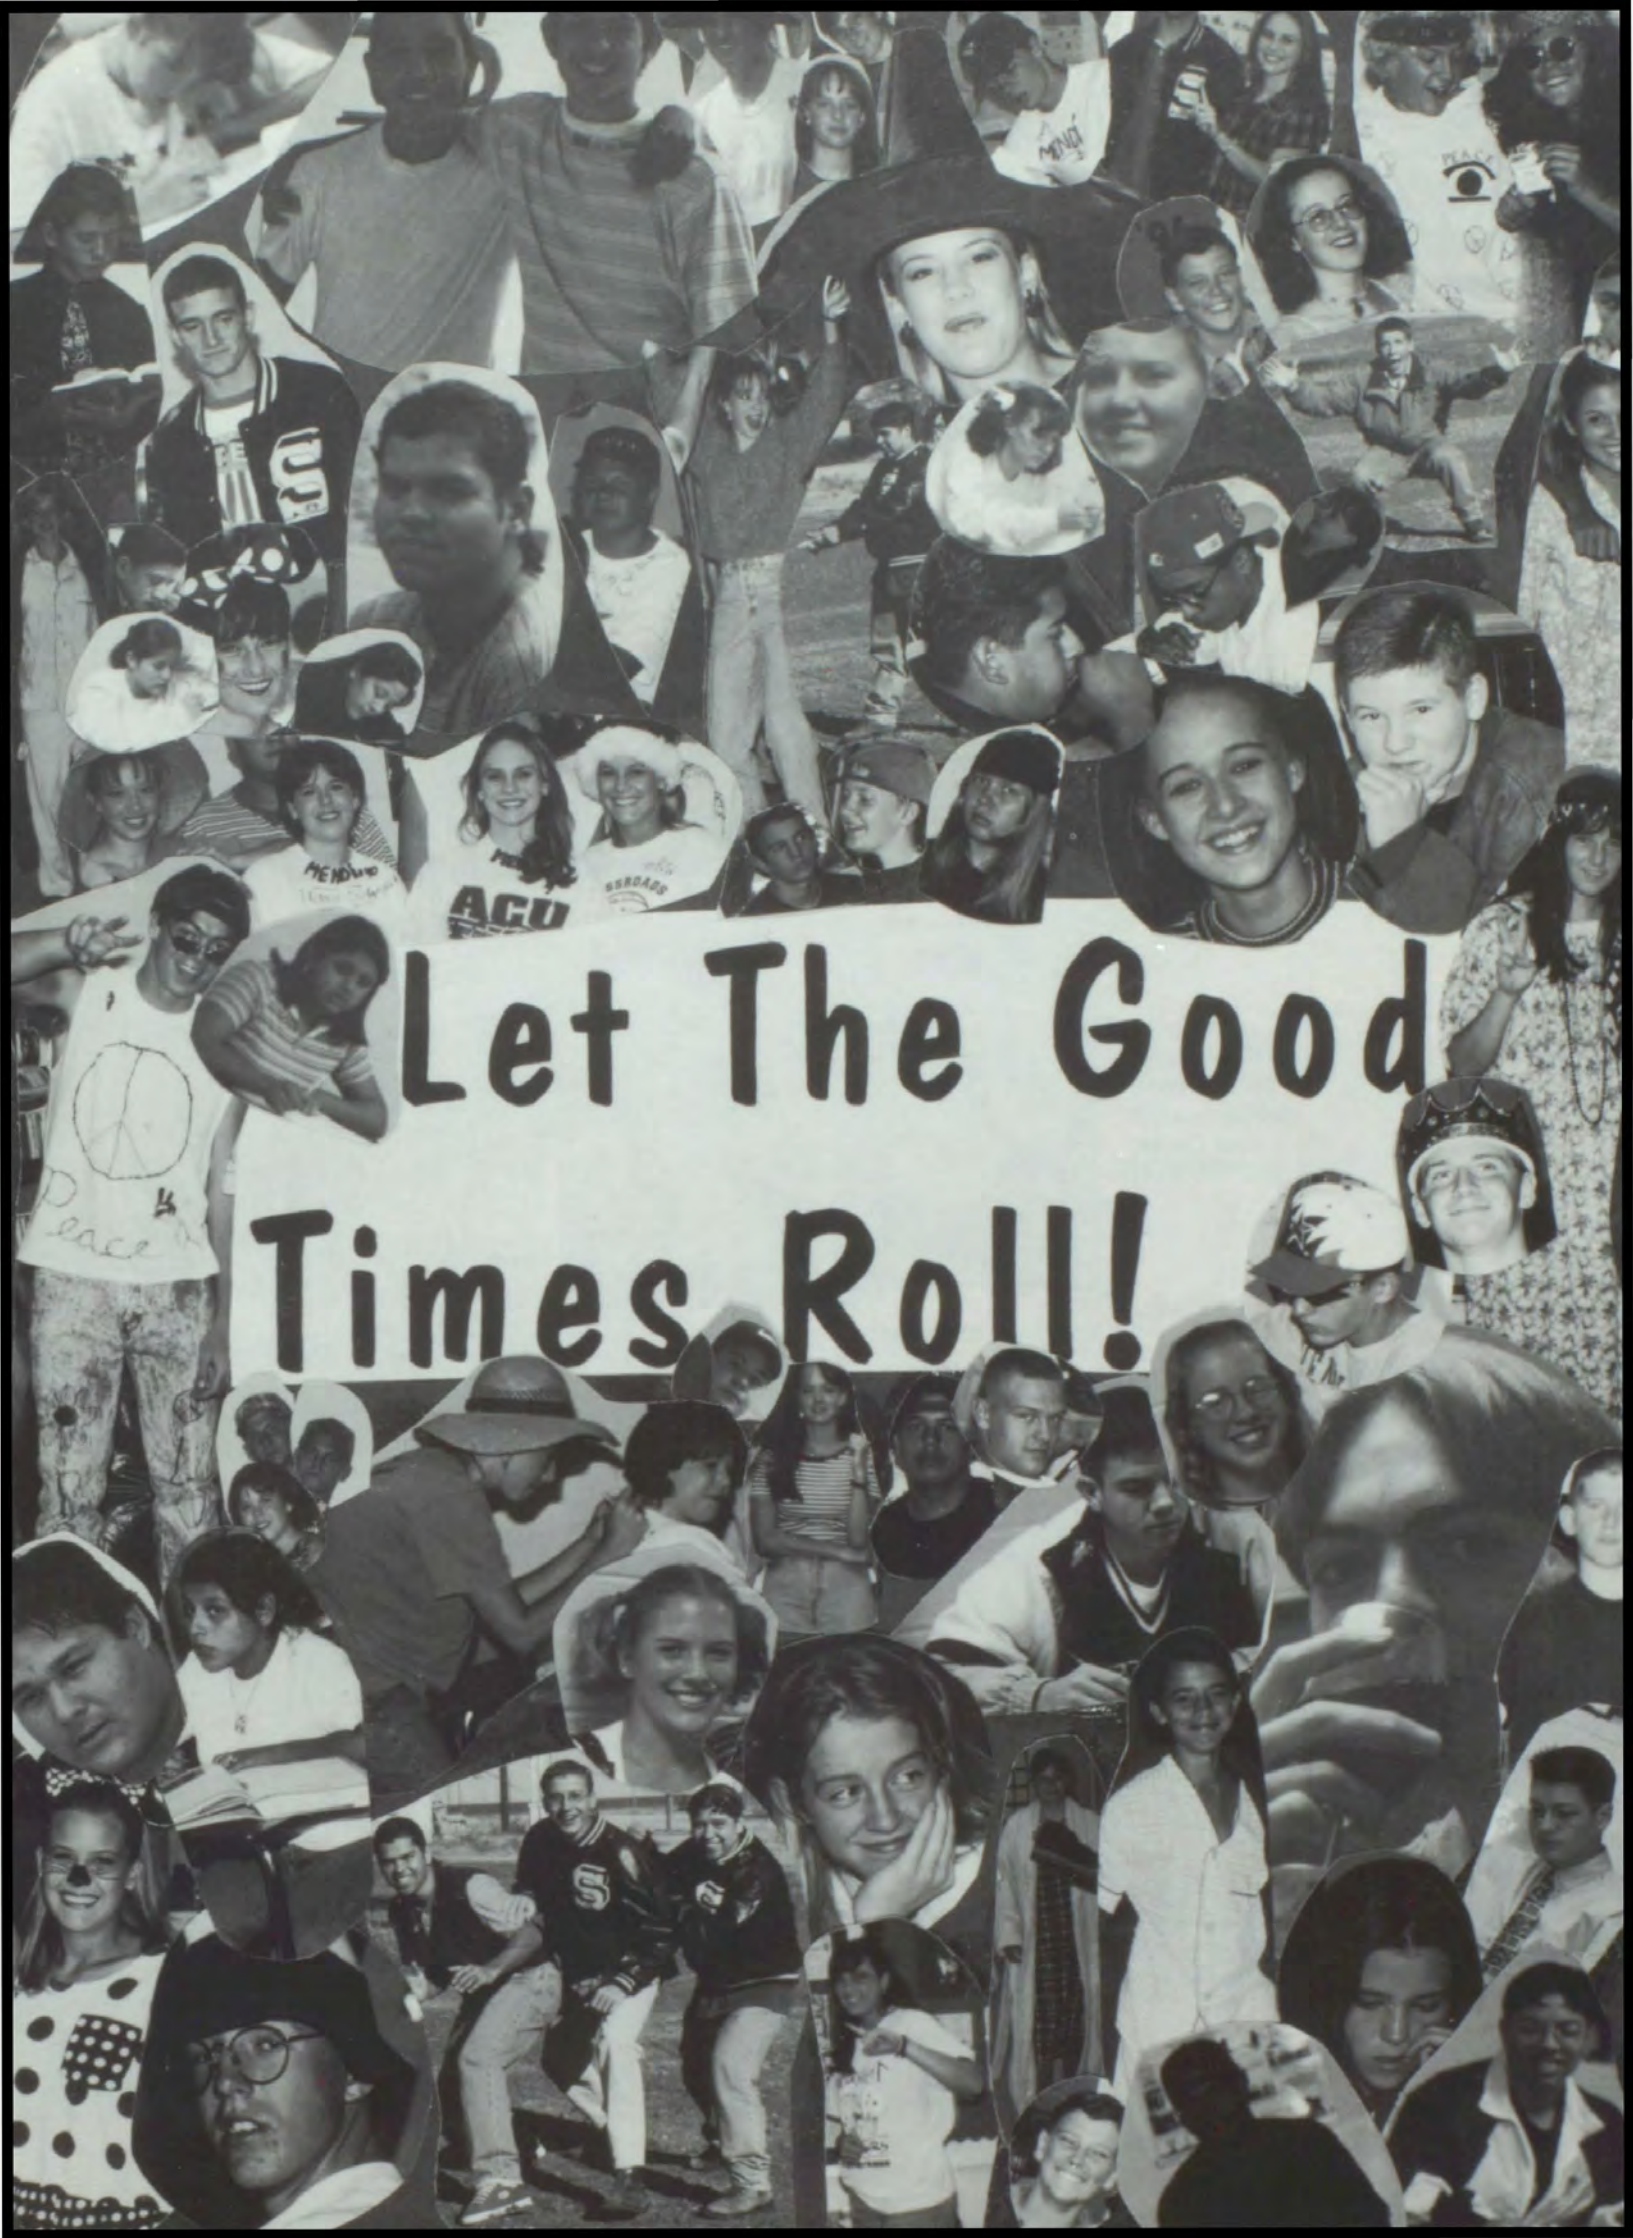

I'm a long, tall Texan; I ride from Texas with my 10-gallon hat.

When I was little, I always dreamed of having a 'fro.

Dear 1997 Graduating Seniors:

It is with tremendous pride to have served as your superintendent from grade eight through graduation. You have matured from young adolescents into responsible young adults. The world is a better place as you take your rightful place in society as a productive and independent citizen.

May God bless you in accomplishing every goal and dream you have for the future.

Congratulations on the 1997 Annual!

Sincerely,

Dear Seniors,

Congratulations! You have just completed the first phase of your life's journey. Remember all of the good times that you have had with your friends throughout high school. The friends that you have made in high school will be lifelong. That's because I know what kind of class you are. You have committed. Once you have committed yourself, you give it your all. The 21st century needs people like that: people with guts enough to stand by what is right. In today's society it is so easy to be wishy-washy. You're not like that.

I have enjoyed serving as your principal and football coach. I'll remember all of you throughout life. Good luck and remember that I have full confidence in you.

Billy Barnett

Seniors,

Reflecting on what I should write, all that keeps coming to my mind is to tell you: "Be Yourself" and "Think for Yourself". A story comes to my mind that illustrates this point. President Calvin Coolidge once invited friends from his hometown to dine at the White House. Worried about their table manners, the guest decided to do everything that Coolidge did. This strategy succeeded until coffee was served. The president poured his coffee into the saucer. The guests did the same. Coolidge added sugar and cream. His guests did, too. Then Coolidge bent over and put his saucer on the floor for the cat.

Congratulations, Seniors, and May God Bless Each of You!
