DR. DONALD E. BRYAN

Seniors:

In times to come, you will reflect on your high school experience. It is my hope and prayer that when those reflective thoughts occur that you will remember the SANDS CISD administrators and teachers as great and appropriate role models in preparing you for being a responsible citizen.

Congratulations on the 1999 annual.

Sincerely,

Donald E. Bryan, Ed.D. Superintendent

### SHS PRINCIPAL

**BILLY D. BARNETT** 

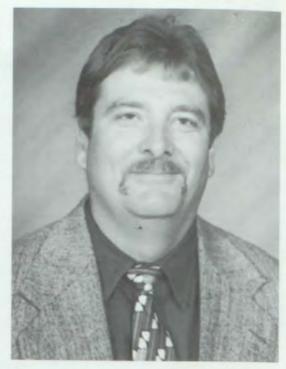

Dear Seniors.

You are the last to graduate this century. The new millennium will require you to apply the knowledge that you have acquired in high school. The first thing that you will figure out about the 21st century is this: "Just because you are out of high school doesn't mean that you are finished learning." Learning is on-going throughout your life. Even though the 21st century will be fast-paced and technologically advanced, the simple things will get you through it: common sense, family, and your faith.

It has been a pleasure serving as your Principal for the past 5 years. Good Luck to all of you. Never let anyone one take your dreams away from you. Remember, you control your own destiny by the decisions you make.

God Bless all of you.

Billy Barnett

### ELEMENTARY PRINCIPAL ZELDA BILBO

Seniors,

Reflecting on what I should write, all that keeps coming to my mind is to urge you to "Be yourself" and "Think for yourself." A story comes to my mind that illustrates this point. President Calvin Coolidge once invited friends from his hometown to dine at the White House. Worried about their table manners, the guests decided to do everything that the President did. This strategy succeeded, until coffee was served. The President poured his coffee into the saucer. The guest did the same. Coolidge added sugar and cream. His guest did too. Then Coolidge bent over and put his saucer on the floor for the cat.

Congratulations, Seniors, and May God Bless Each of You!

Zelda Bilbo Elementary Principal
