

MUSTANG

2000

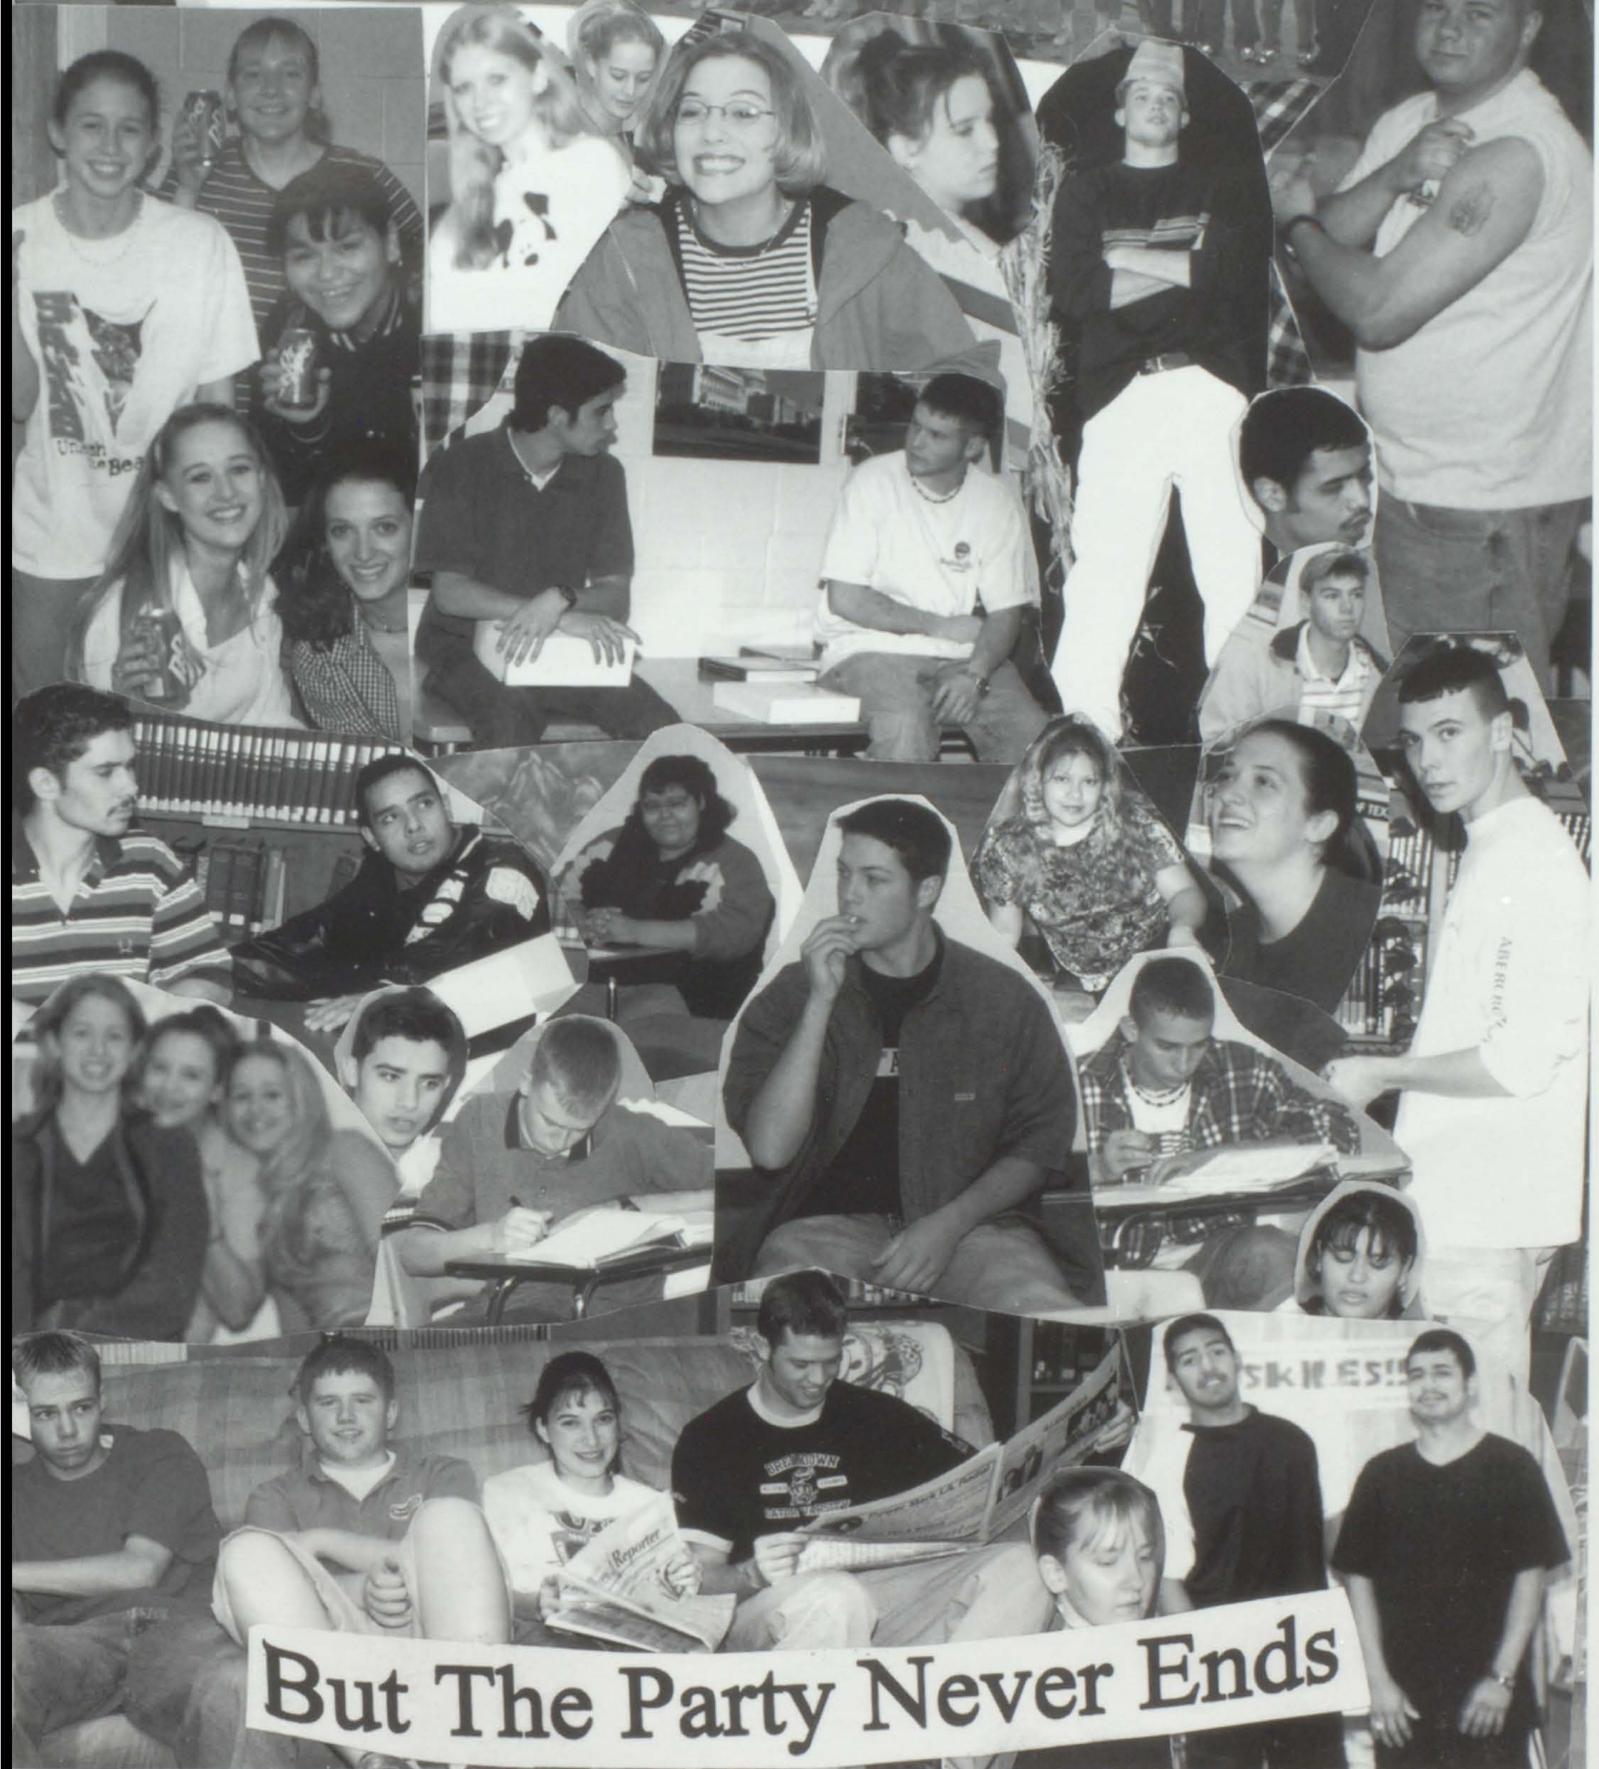

The number '2000' is rendered in a bold, stylized, outlined font. It is surrounded by several white, overlapping elliptical lines that resemble orbital paths. Above the number, a series of white dots of varying sizes are arranged in a slightly curved line, suggesting a celestial or futuristic theme.

STUDENT COUNCIL PRESIDENT KAMI HAMBRICK

It has been an honor and a privilege to be your Student Council President for this year. This has been a great year, but without the help of the students, teachers, and parents, the success of this year would not be possible.

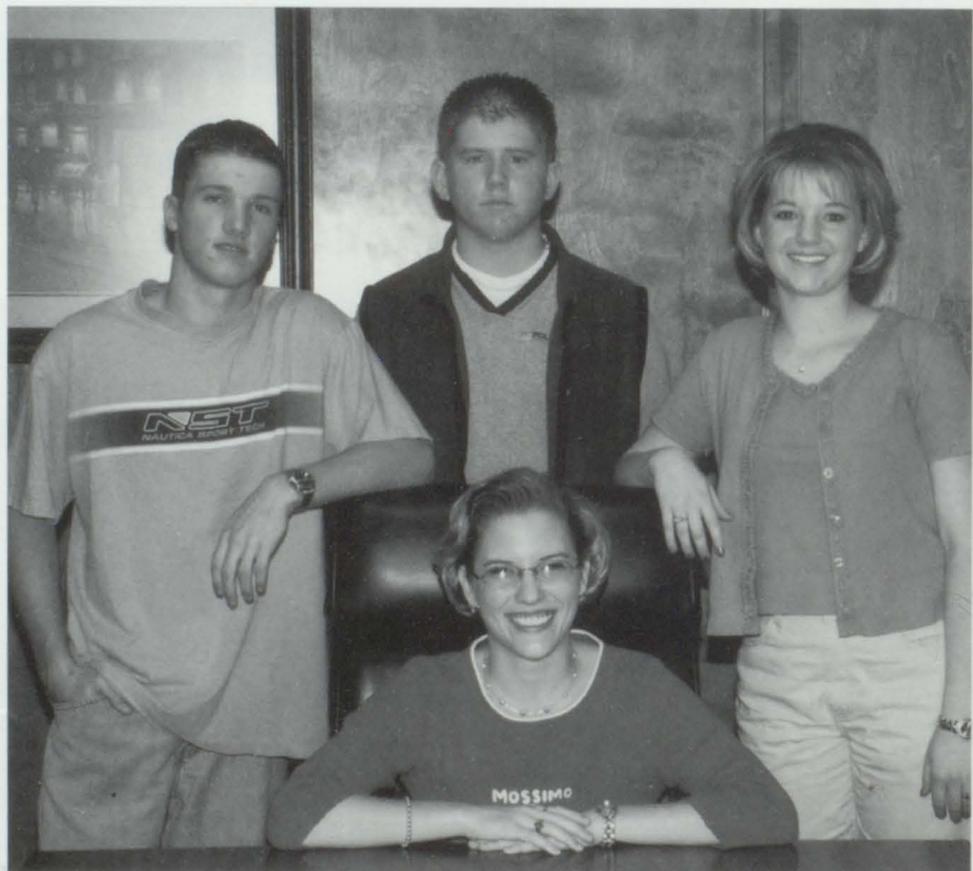

Thank you very much for your cooperation. I would like to wish the 2000-2001 Student Council the best of luck. Let's keep up the great work that we have all worked so hard to accomplish.

Sincerely,
Kami Hambrick

DR. DONALD E. BRYAN

Seniors:

Congratulations on the 2000 annual. Upon my arrival in 1992, you were finishing the fourth grade. It did not take long to observe the diversity and wealth of talent in this class. I feel you are ready for the realities of life. In your quest for success you must consider the bottom line, but make sure it is integrity before profit.

Sincerely,
Donald E. Bryan, Ed.D.

HIGH SCHOOL PRINCIPAL BILLY D. BARNETT

Dear Seniors,

The time has come to see if you have learned anything. In high school, you took different classes in different subjects. You had a grade for each individual subject. In the real world, life is not divided into subjects. You will keep learning, but it will happen in an encompassing manner. What grade will you get after high school? Did you learn enough about discipline, integrity, and work ethic to receive a passing grade in life?

Your class was in the 7th grade when I came to Sands. I have watched you grow into young men and women. I know that we all have learned lifetime lessons during that time. I would like to thank all of you for the opportunity to get to know you, and I would like to wish all of you the best of luck. Don't sit around and wait for luck to happen to you; go out and make your own.

Billy Barnett
