Mustang

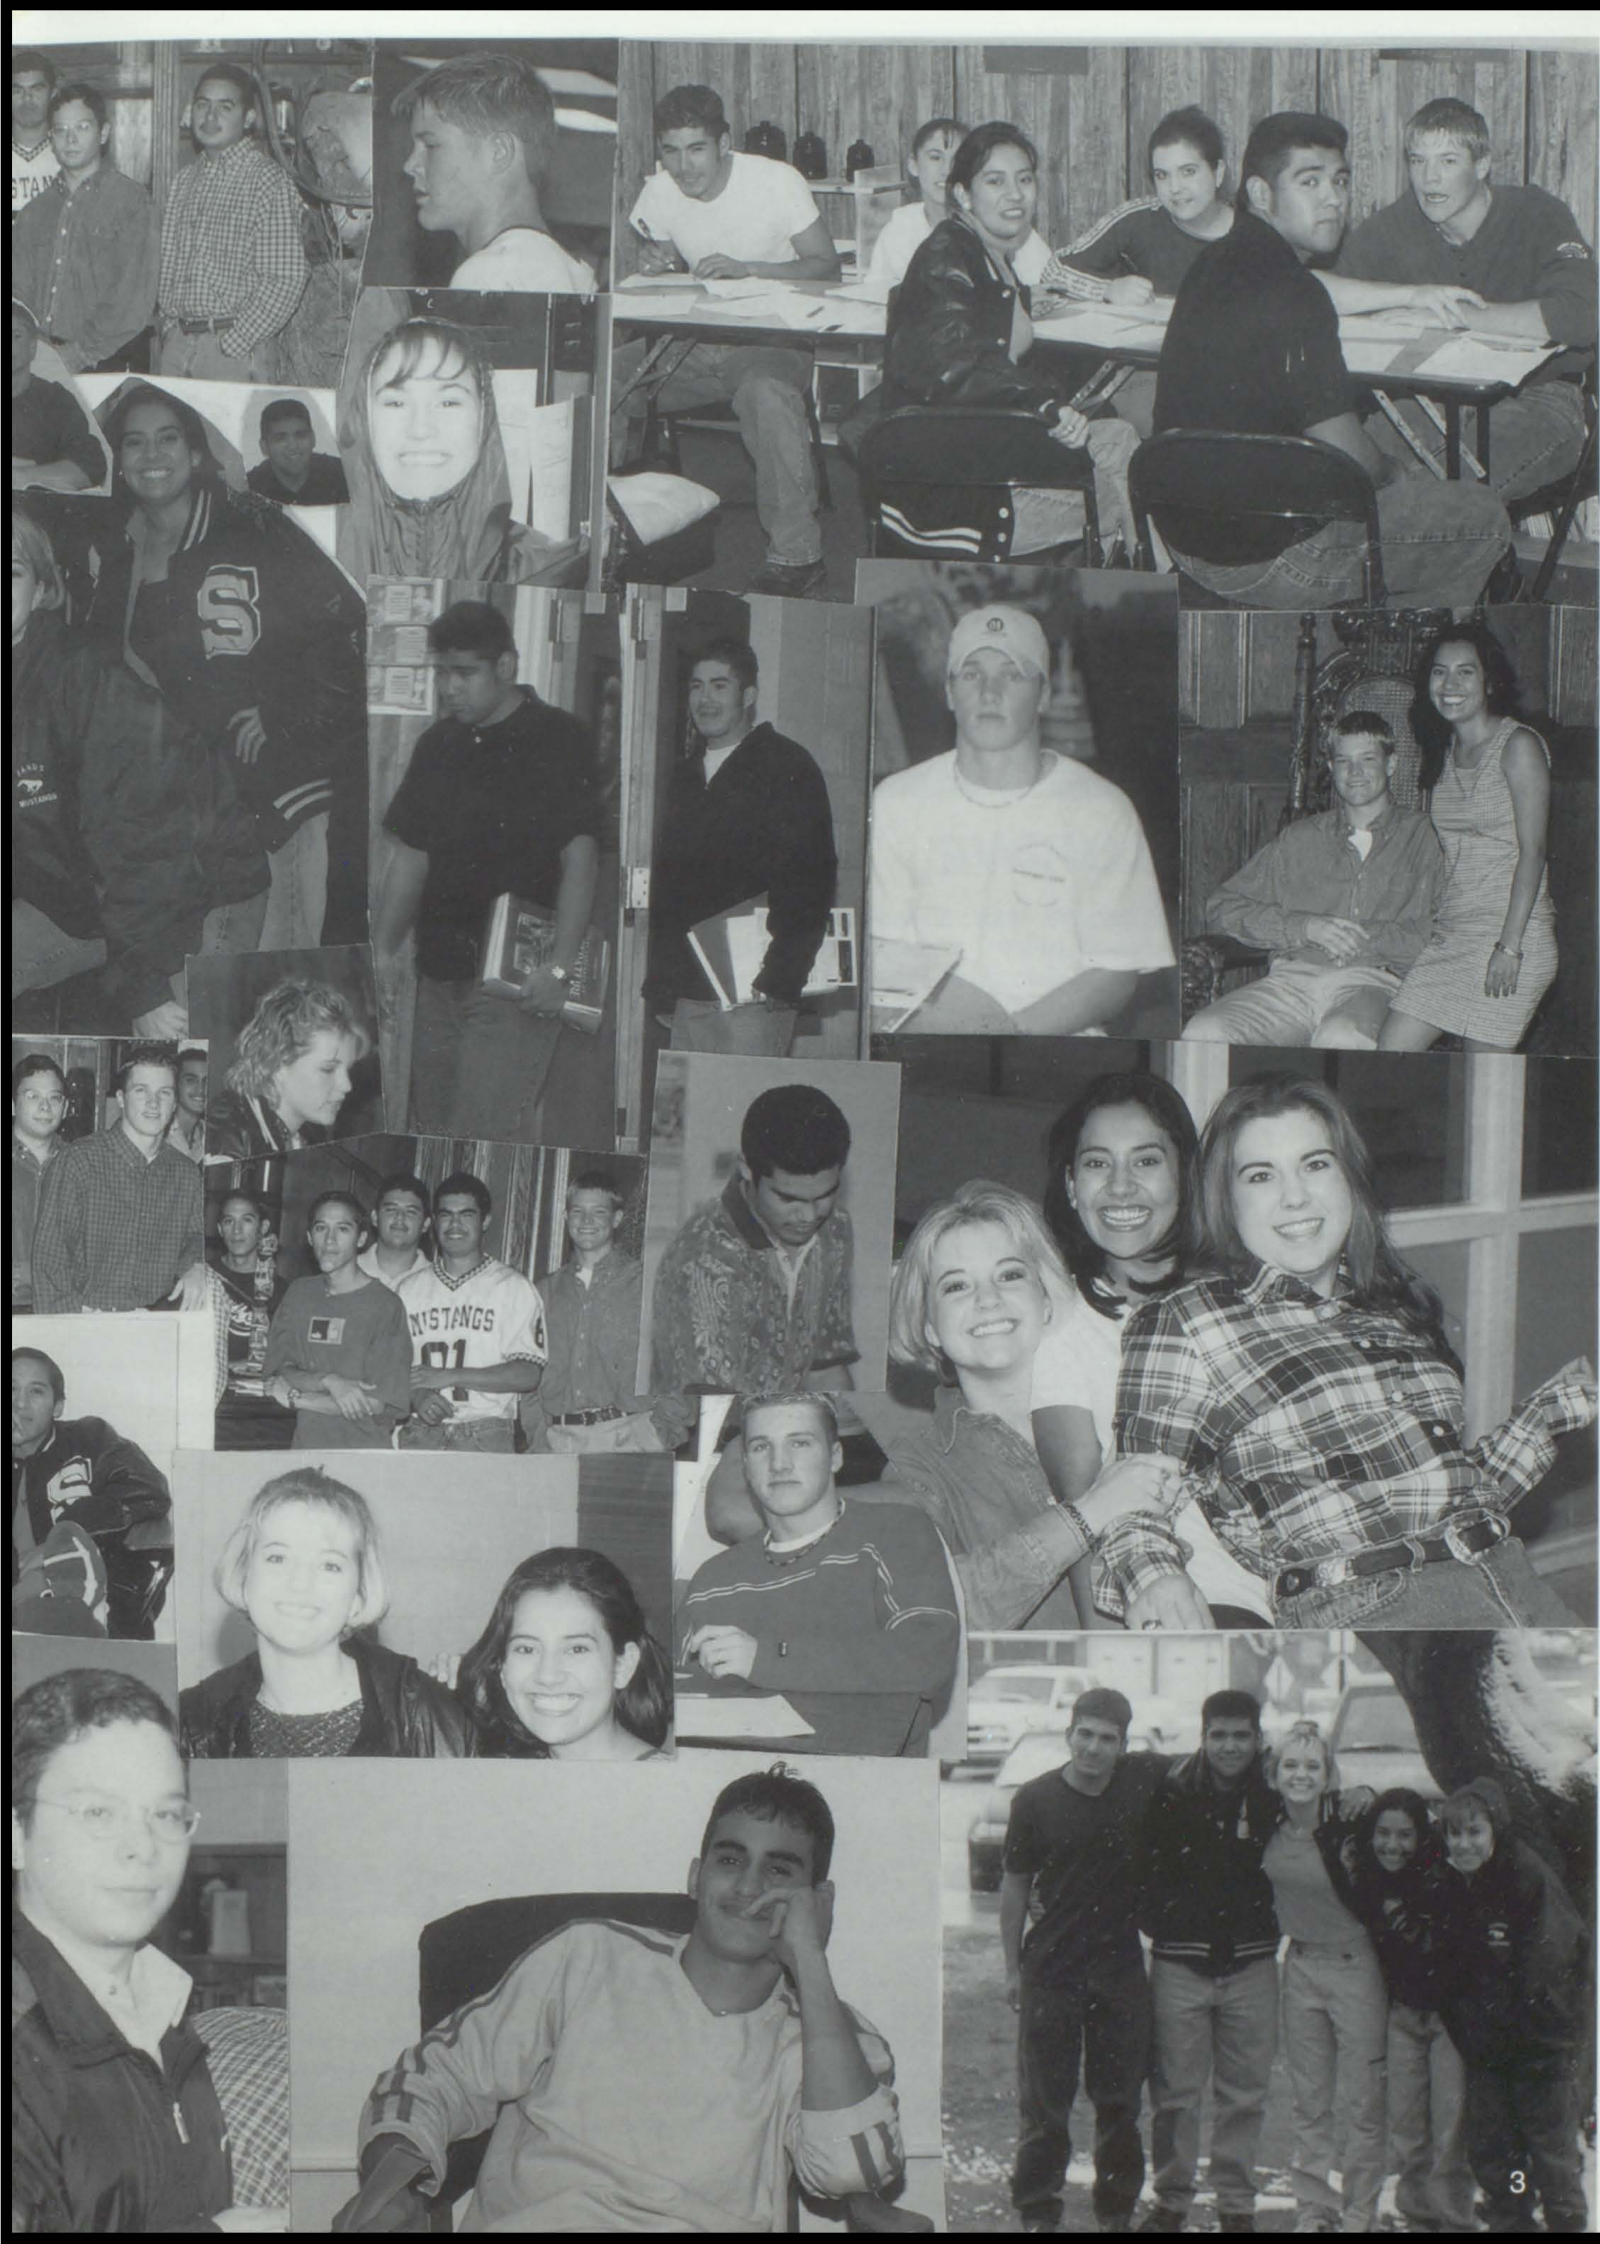

Look at yourself as you stand among the winners.
See yourself as one, belonging to an elite group of individuals,
And know that you have accomplished a great success in your life.
You've taken a dream, added a splash of determination,
And created the reality which you hold in your hands today.
And as you stand among the future of our world,
In that fleeting moment, take time to reflect on the past;
On obstacles you've had to overcome,
On mistakes you may have made
And friends you've known along the way.
Dream of tomorrow; envision with awe all that it holds for you,
And be sure that there are no obstacles you can't overthrow,
And that mistakes can be rectified,
And that the friends who have been with you will always be with you
Because the gift of memory will keep them forever alive in your heart.
So as you end a chapter in your journal of life
And embark out into an uncharted sea,
You will tread the uncertain waters with caution, knowledge, and
respect.
For although you can't see to the ocean floor,
You have the courage to look deep within and make the changes you know
you can,
The knowledge not to disturb the good that is already there,
And the self-respect to be the best that you can be.

It has been my pleasure to serve as your superintendent for the last nine years. I have observed a growth in maturity. If you reflect back on the influence of your parents, teachers, and administrators, I am certain that you will make sound decisions.

May God bless each of you. Keep praying to Him for guidance.

Congratulations on the 2001 annual.

HIGH SCHOOL PRINCIPAL

MR. WAYNE BLOUNT

Seniors,

Congratulations! You have completed the first step in the educational process. There are many paths to choose from here. Some will continue their education at a university, some at a technical school, while others will continue theirs at a job. The one thing these all have in common is that education will continue. High school is just the base of your education. It is up to you to determine where you go from here. A good friend of mine always says, "There is a right way and a wrong way to do everything. If you do the little things right, then you will win games." If you do the little things right, you will win in the game of life. Always believe in yourself and you will do good things.

I have enjoyed being your principal this year. Thank you for making my first year at Sands High School a good one.

Good Luck and May God Bless All of You
