This is where we went to school
Most of the time we had better things to do
Remember the old field house,
And the day it nearly burned down
We used to listen to the radio
And sing along with every song we know
Every memory of looking out the back door
With the photo album spread out on the floor
It's hard to say, but it's time to say goodbye... goodbye
We're gonna miss this town and the faces
We have memories that can't be replaced or erased
It's so hard to leave, but too hard to stay
Look at this photograph
Every time I do it makes me laugh
Every time I do it makes me...

STUDENT COUNCIL OFFICERS

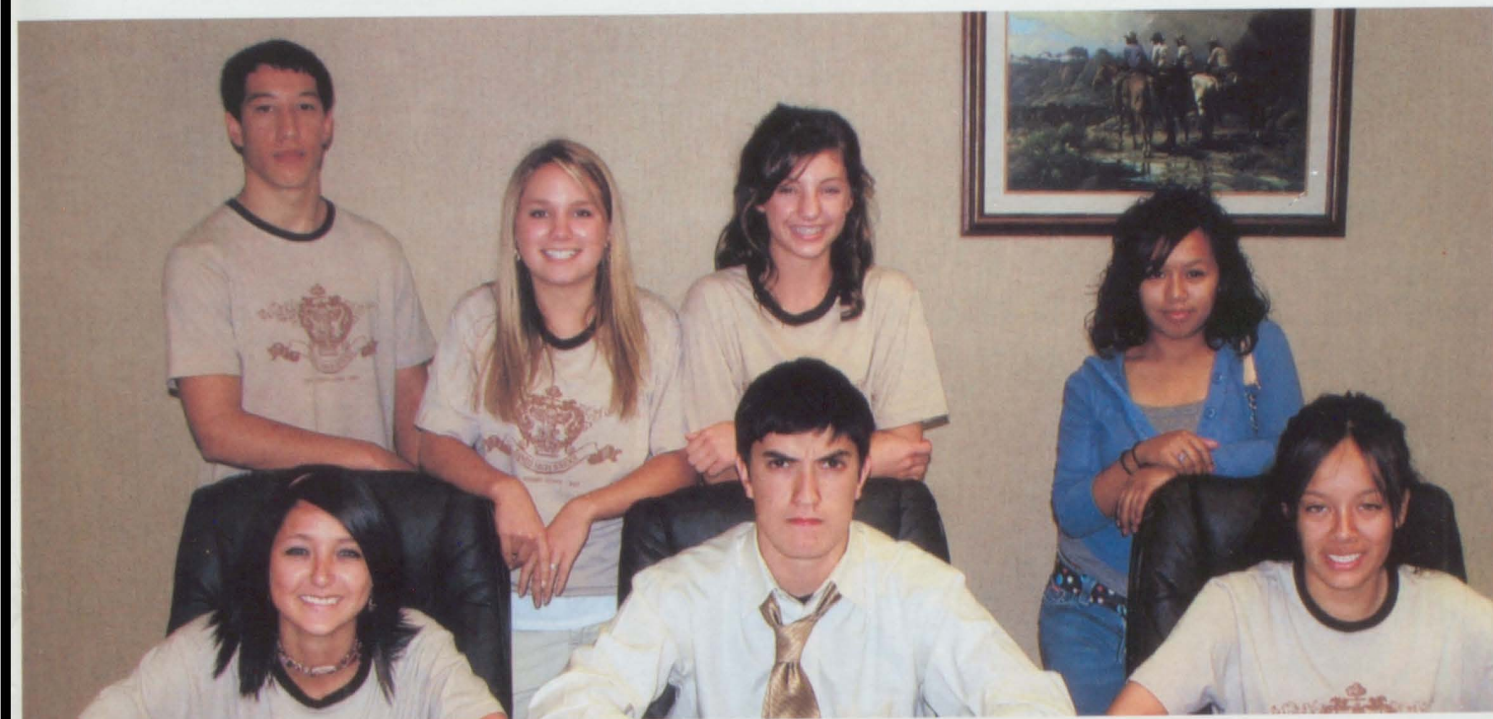

STUDENT COUNCIL PRESIDENT

Garrett Nichols

It has most definitely been an honor serving this fine school as the 2006-2007 Student Council President. This year was full of many toils and troubles, but with our student and faculty bonding we were able to overcome these obstacles. We have performed many fruitful services to help our community, and we have most certainly enjoyed working with the National Honor Society on many projects this year. We would love to thank the wonderful Mrs. Gibbs for all her hard work and commitment that she has put forth in the Jedi council. I want to wish next year's Student Council good luck and a swell year. Once again, thanks for the memories and the great year.

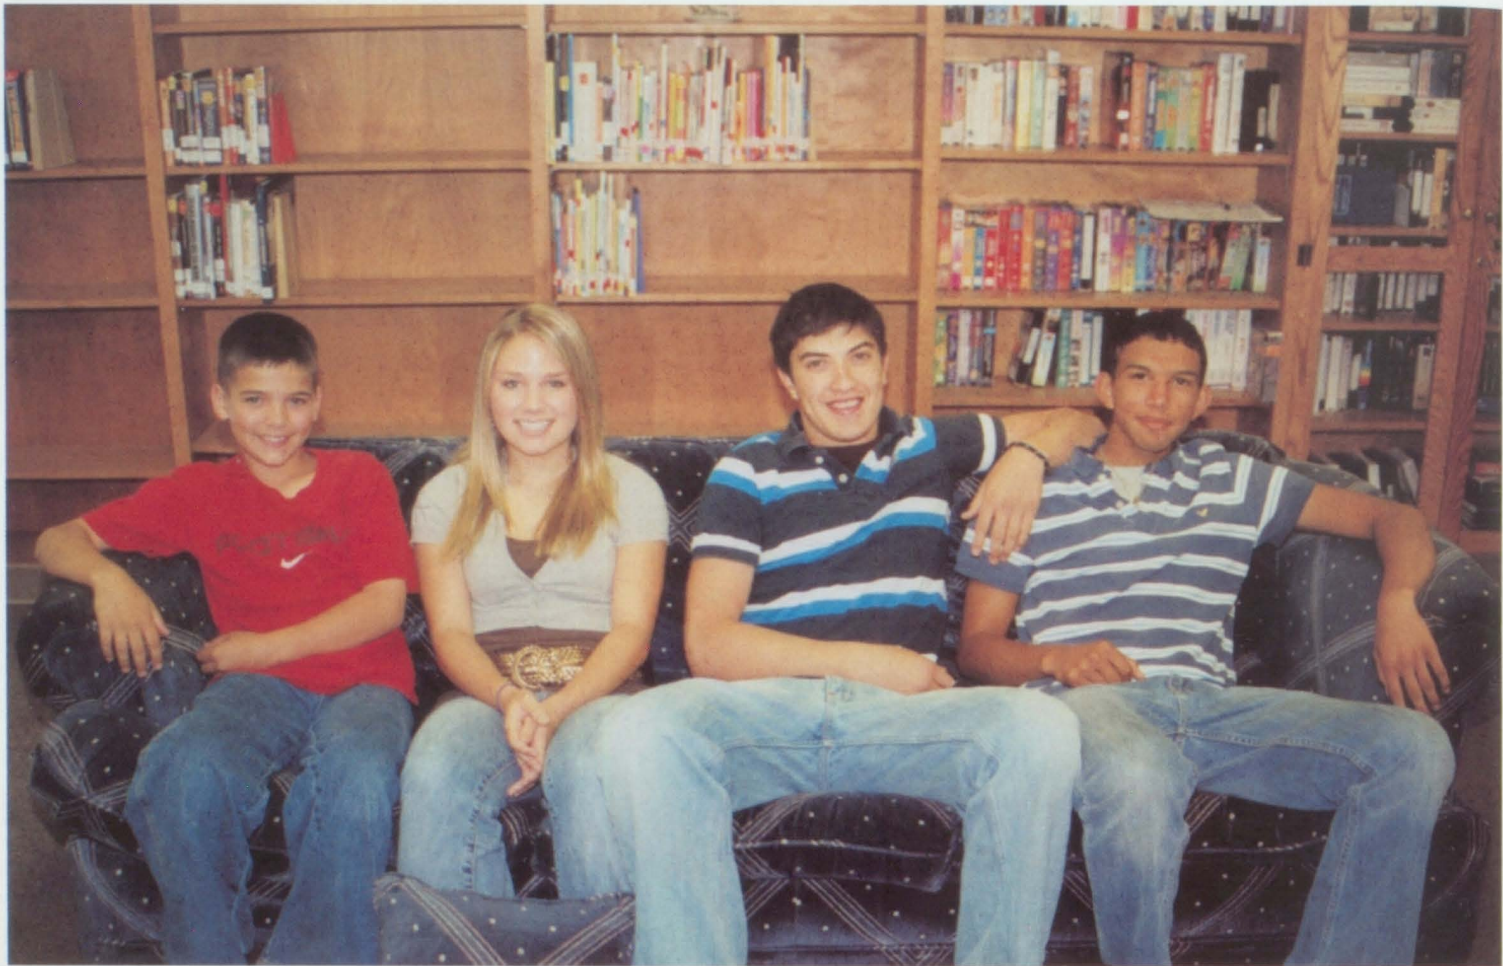

Yours Truly,

Garrett Nichols, StuCo President

SUPERINTENDENT Wayne Blount

Congratulations, Seniors!

One of the quotes in a picture hanging on the wall in my office defines the word CHALLENGE. "In golf, your most feared opponent is always you."

You must believe in yourself first before you will be able to accomplish your goals. I am very proud of the accomplishments your class has made in your four years at Sands High School. Remember that you did not obtain these achievements without hard work, sacrifice, and a belief in yourself. Do not listen to what other people think you can accomplish. Believe in yourself, and you can accomplish whatever goal you have. Good luck to each of you.

Wayne Blount

PRINCIPAL Zelda Bilbo

Seniors,
The one thing I would like for you to remember is "Don't Be Afraid To Fail." You've failed many times, although you may not remember them. You fell down the first time you tried to walk. You almost drowned the first time you tried to swim. Didn't you? Did you hit the ball the first time you swung a bat? Heavy hitters, the ones who hit the most home runs, also strike out a lot. R.H. Macy failed seven times before his store in New York caught on. Babe Ruth struck out 1,330 times, but he also hit 714 home runs. Don't worry about failure. Worry about the chances you miss when you don't even try. May God Bless Each of You,
Zelda Bilbo
