

The background is a complex, abstract composition. It features a grid of squares, each containing a different textured, painterly image in various colors like green, blue, brown, and purple. Overlaid on this grid is a large, white, stylized '2009' with a black outline. The numbers are bold and blocky, with the zeros having a small square cutout in the center.

When everyone's dreaming
Of a better life
In this world
Divided by fear,
We've gotta believe that
There's a reason we're here.

See the truth all around.
Our faith can't be broken,
And our hands can't be bound.
With nothing to stop us,
Is it not worth the risk?

We can't go on
Thinking it's wrong
to speak our minds.
I've gotta let out what's inside.
Can we get it right?

Cause these are the days worth living,
These are the years we're given,
And these are the moments—
These are the times.
Let's make the best of our lives.

STUDENT COUNCIL

RICHARD LUCIO - PRESIDENT

This has been a very busy, yet successful year here at Sands High School. It is with sincere gratitude that I retire my spot as the 08-09 Sands Student Council President. I wish only the best of luck to the upcoming student body and hope that the members will continue to lead and serve our school.

Wayne Blount Superintendent

Congratulations to the graduating class of 2009. This year has been a memorable one for Sands High School. You have enjoyed success in almost everything. This success is the result of hard work and good leadership. I challenge each of you to use this success as a starting point to a successful life. Each of you will encounter challenges in your lives, and I encourage you to draw on your experience to meet those challenges. Our country needs a base of young adults willing to do the right thing when faced with life's challenges. It will require courage to stand up for your beliefs even when this may not be the popular thing to do. Good luck to each of you.

Wayne Blount, Superintendent

Zelda Bilbo Principal

Seven years ago we walked through the "double doors" together: you as junior high students and me as the new junior high and high school principal. The years since have been very special to me as I have watched you grow and mature (in some cases!). This graduating class holds an incredible amount of potential. I am expecting great things from each and every one of you. You are the ones who will look after my generation as we age. (I would like competent doctors, lawyers, and accountants.) Follow your dreams, embrace the morals and values you have been taught, take care of one another, laugh often, and love with all your heart. May God Be with each of YOU!
