When I feel that chill, smell that fresh cut grass  
I'm back in my helmet, cleats, and shoulderpads  
Standin' in the huddle, listenin' to the call  
Fans goin' crazy for the boys of fall

They didn't let just anybody in that club  
Took every ounce of heart and sweat and blood  
To get to wear those game-day jerseys down the hall  
Kings of the school, man, we're the boys of fall

Little Girl,

Oh! What a journey! We have watched as you have gone from a curly headed, PoPo's cap wearing little girl to a sports loving, crooked dimpled, beautiful young lady. We have faced many challenges together, but it is in the way you have risen to them with your love and courage that we know you will accomplish anything you set your heart and mind to. We can't wait to see what the future holds for you. We will be there cheering you on. May God's Blessings be with you.

So proud and loving you more than words can say,
