# SENIORS 2019

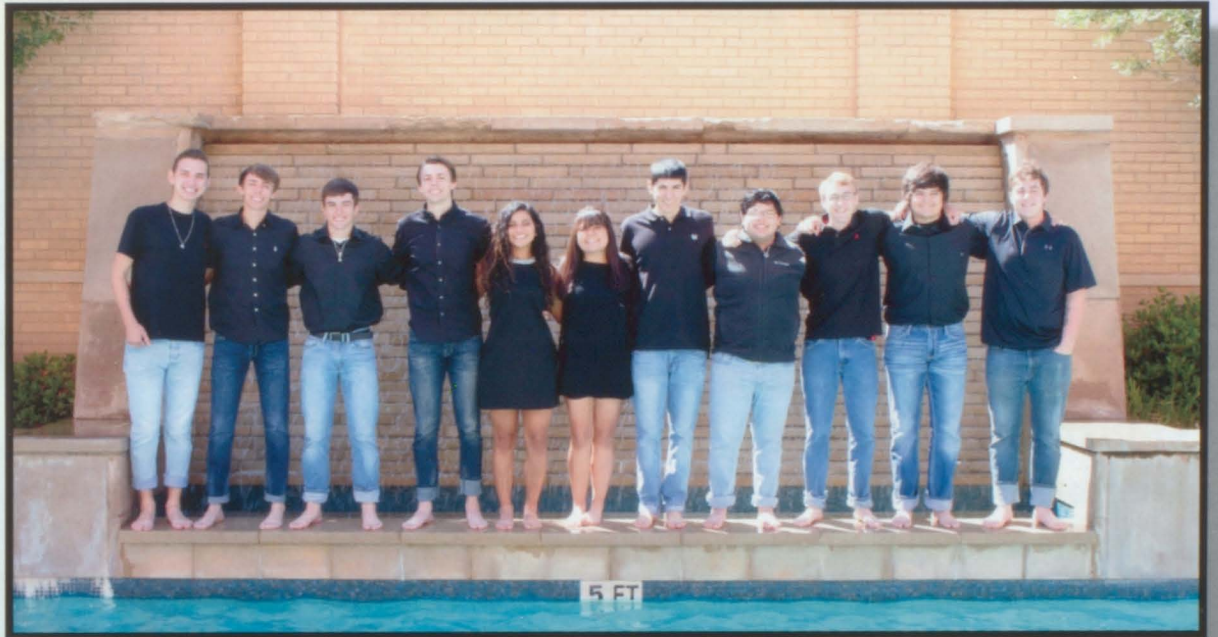

*Graduation day is finally here, your dreams you did pursue.  
All your hard work has paid off, we are so very proud of you.  
The nights of study, the projects due  
You did them all and more too.*

*It has all paid off, your studying is done  
We hope you make time to enjoy some fun.  
Always remember life is learning journey  
Keep filling your mind with all that is worthy.*

*May the happiness you feel today  
Be a feeling you keep as you go on your way.  
May life be happy and good to you,  
And may you find success in all you do.*

*Poet: Catherine Pulsifer*

Andrew,

We have been very blessed to have been a part of your educational experience at Sands, and most importantly, at home. It has been a privilege to guide you throughout your younger years, and a joy to watch you grow and learn to make decisions on your own. We are pleased with the young Christian man you are today.

As you take the next step in your life, know that you can count on God to always be there for you, even if the rest of the world lets you down. At the end of every day, take some time to reflect on how you spent the day God gave you, and learn from it. Always remember to put God first in your life, and your future choices will be the right ones. Continue to be strong in the Lord!

"Have I not commanded you? Be strong and courageous. Do not be frightened, and do not be dismayed, for the Lord your God is with you wherever you go." --Joshua 1:9

We love you so much!

Mom and Dad (Read your Bible, say your prayers, be good, brush your teeth, put on deodorant...come home often!)

**Alycia,**

**Our wish for you is that you will find unlimited happiness. That you follow your dreams no matter what obstacles you may face. There are no words to describe the love we have for you. We have been so blessed to watch you grow and learn every step of the way. You're so strong and it fills us with so much pride to see the young lady you've become. You are going to go on and do so many amazing things. There is nothing stopping you from achieving you're dreams. Don't let fear stop you from going after what you want.**

**Love you always, Mom and Dad**

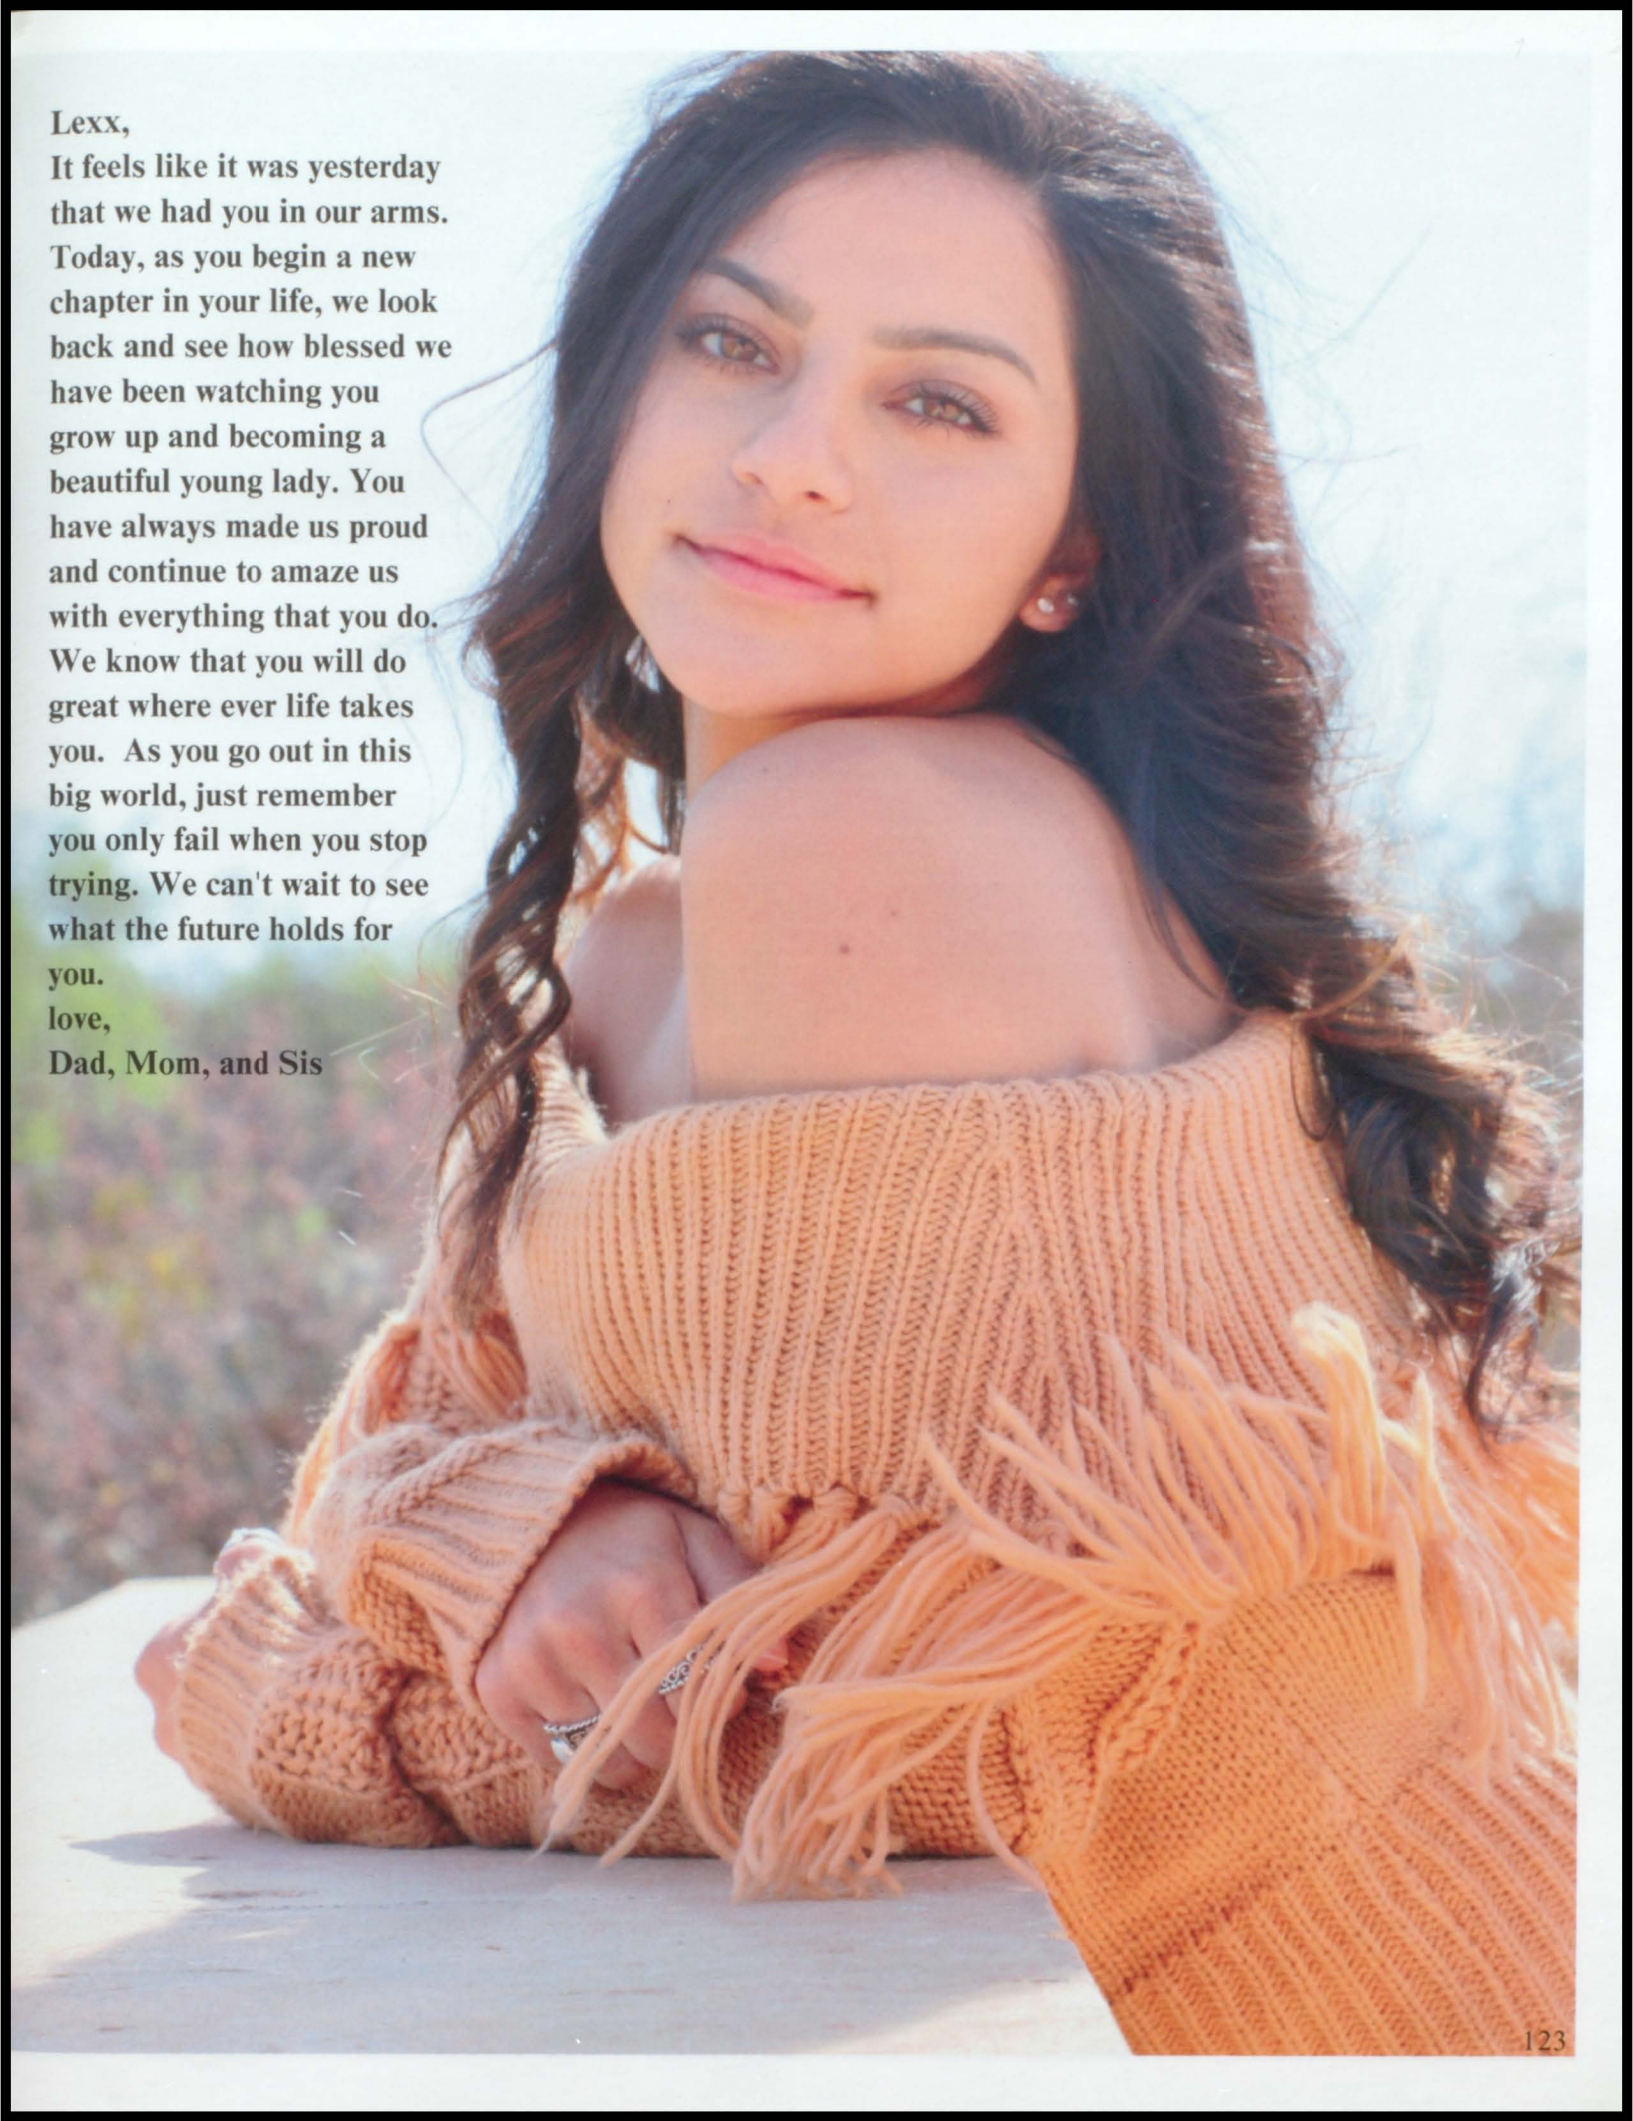

Lexx,

It feels like it was yesterday  
that we had you in our arms.

Today, as you begin a new  
chapter in your life, we look  
back and see how blessed we  
have been watching you  
grow up and becoming a  
beautiful young lady. You  
have always made us proud  
and continue to amaze us  
with everything that you do.  
We know that you will do  
great where ever life takes  
you. As you go out in this  
big world, just remember  
you only fail when you stop  
trying. We can't wait to see  
what the future holds for  
you.

love,

Dad, Mom, and Sis

Jayden,

Wow we cannot believe the time has come for you to graduate. Everyone told us that it would all go by quickly but we never realized how quick. It doesn't seem like very long ago that we were taking you to pre-k and now we are getting ready to watch you walk across the stage and get your diploma. We are not anywhere close to being ready for you to move on to the next chapter of your life even though we know you will be successful and cannot wait to see where your adult life takes you. We could not be any more proud of the man you have become. We love how compassionate you are about the things and people you love. You are a sweet, kind, and caring young man who we love more than you will ever know. Always work hard and strive to be the best version of you, you can be!

Love you bunches, Dad, Mom, and Noah

Dear Sons,

You are and always will be my greatest source of pride. You are both phenomenal people in your own distinct way. God has blessed you both tremendously, and you have a divinely ordained duty to ensure you use those blessings to benefit others. Your birth taught me how to truly love someone more than myself. I tried to thank God for that lesson by teaching you to do the same as you grew. I must have said it to you a thousand times by now, but as you celebrate this momentous occasion, I will remind you once more of how important the lesson is. "Respect everyone every day; find someone to show love to who really needs it, so they may come to know Christ through you; and remember life is ultimately a competition, so kick butt and take names!" We love you forever, no matter what.

Dad & Charla

Aaron & Will,

The last eighteen years have flown by so fast! We are so proud of the young men that you have both become! As parents, we hope that we have prepared you to go out on your own and make your own decisions, but we still want you to ask our advice. :) Follow your heart and trust that God will lead you in the right directions. We will cherish all of the memories we have made together, big and small, forever! It has been such a blessing to watch the two of you grow up and chase you from one ball game to another. We can't wait to see what your futures hold! We love you more than you will ever know!

**What a thrill it has been watching you grow into the young man you are today! You are a great example of courage and determination, and your successes throughout your journey through school have showcased this. We could not be more proud of your accomplishments, but we praise God for the character that He is developing in you.**

**We encourage you to press on to the path God has for you and remain "anchored" with Christ. And as you start a new journey always know we are your biggest fans and we love you!!**

**Mom & Dad**

**Jacob**

**We wish you the strength to face challenges with confidence along with the wisdom to choose your battles carefully. We wish you adventure on your journey and may you always stop to help someone along the way. Listen to your heart and take risks carefully. Always stay close to God and always keep Him first in your life. We are so proud of you and all of your accomplishments. Stay true to your self and enjoy the little things in life.**

**Trace,  
You have made me  
extremely proud of the  
man you have become.  
Trace, you have come a  
long way over the last  
four years. I have never  
dreamed that this day  
would have come as  
quickly as it has. You have  
surpassed so many goals  
that you have set for  
yourself. Keep your eyes  
open and stay focused on  
this next goal ahead of  
you. I know there are  
amazing and beautiful  
things ahead in your  
future, and I can't wait to  
see what you do with your  
talents. Your father would  
be just as proud of you, if  
not more than, I am at this  
moment. He would also be**

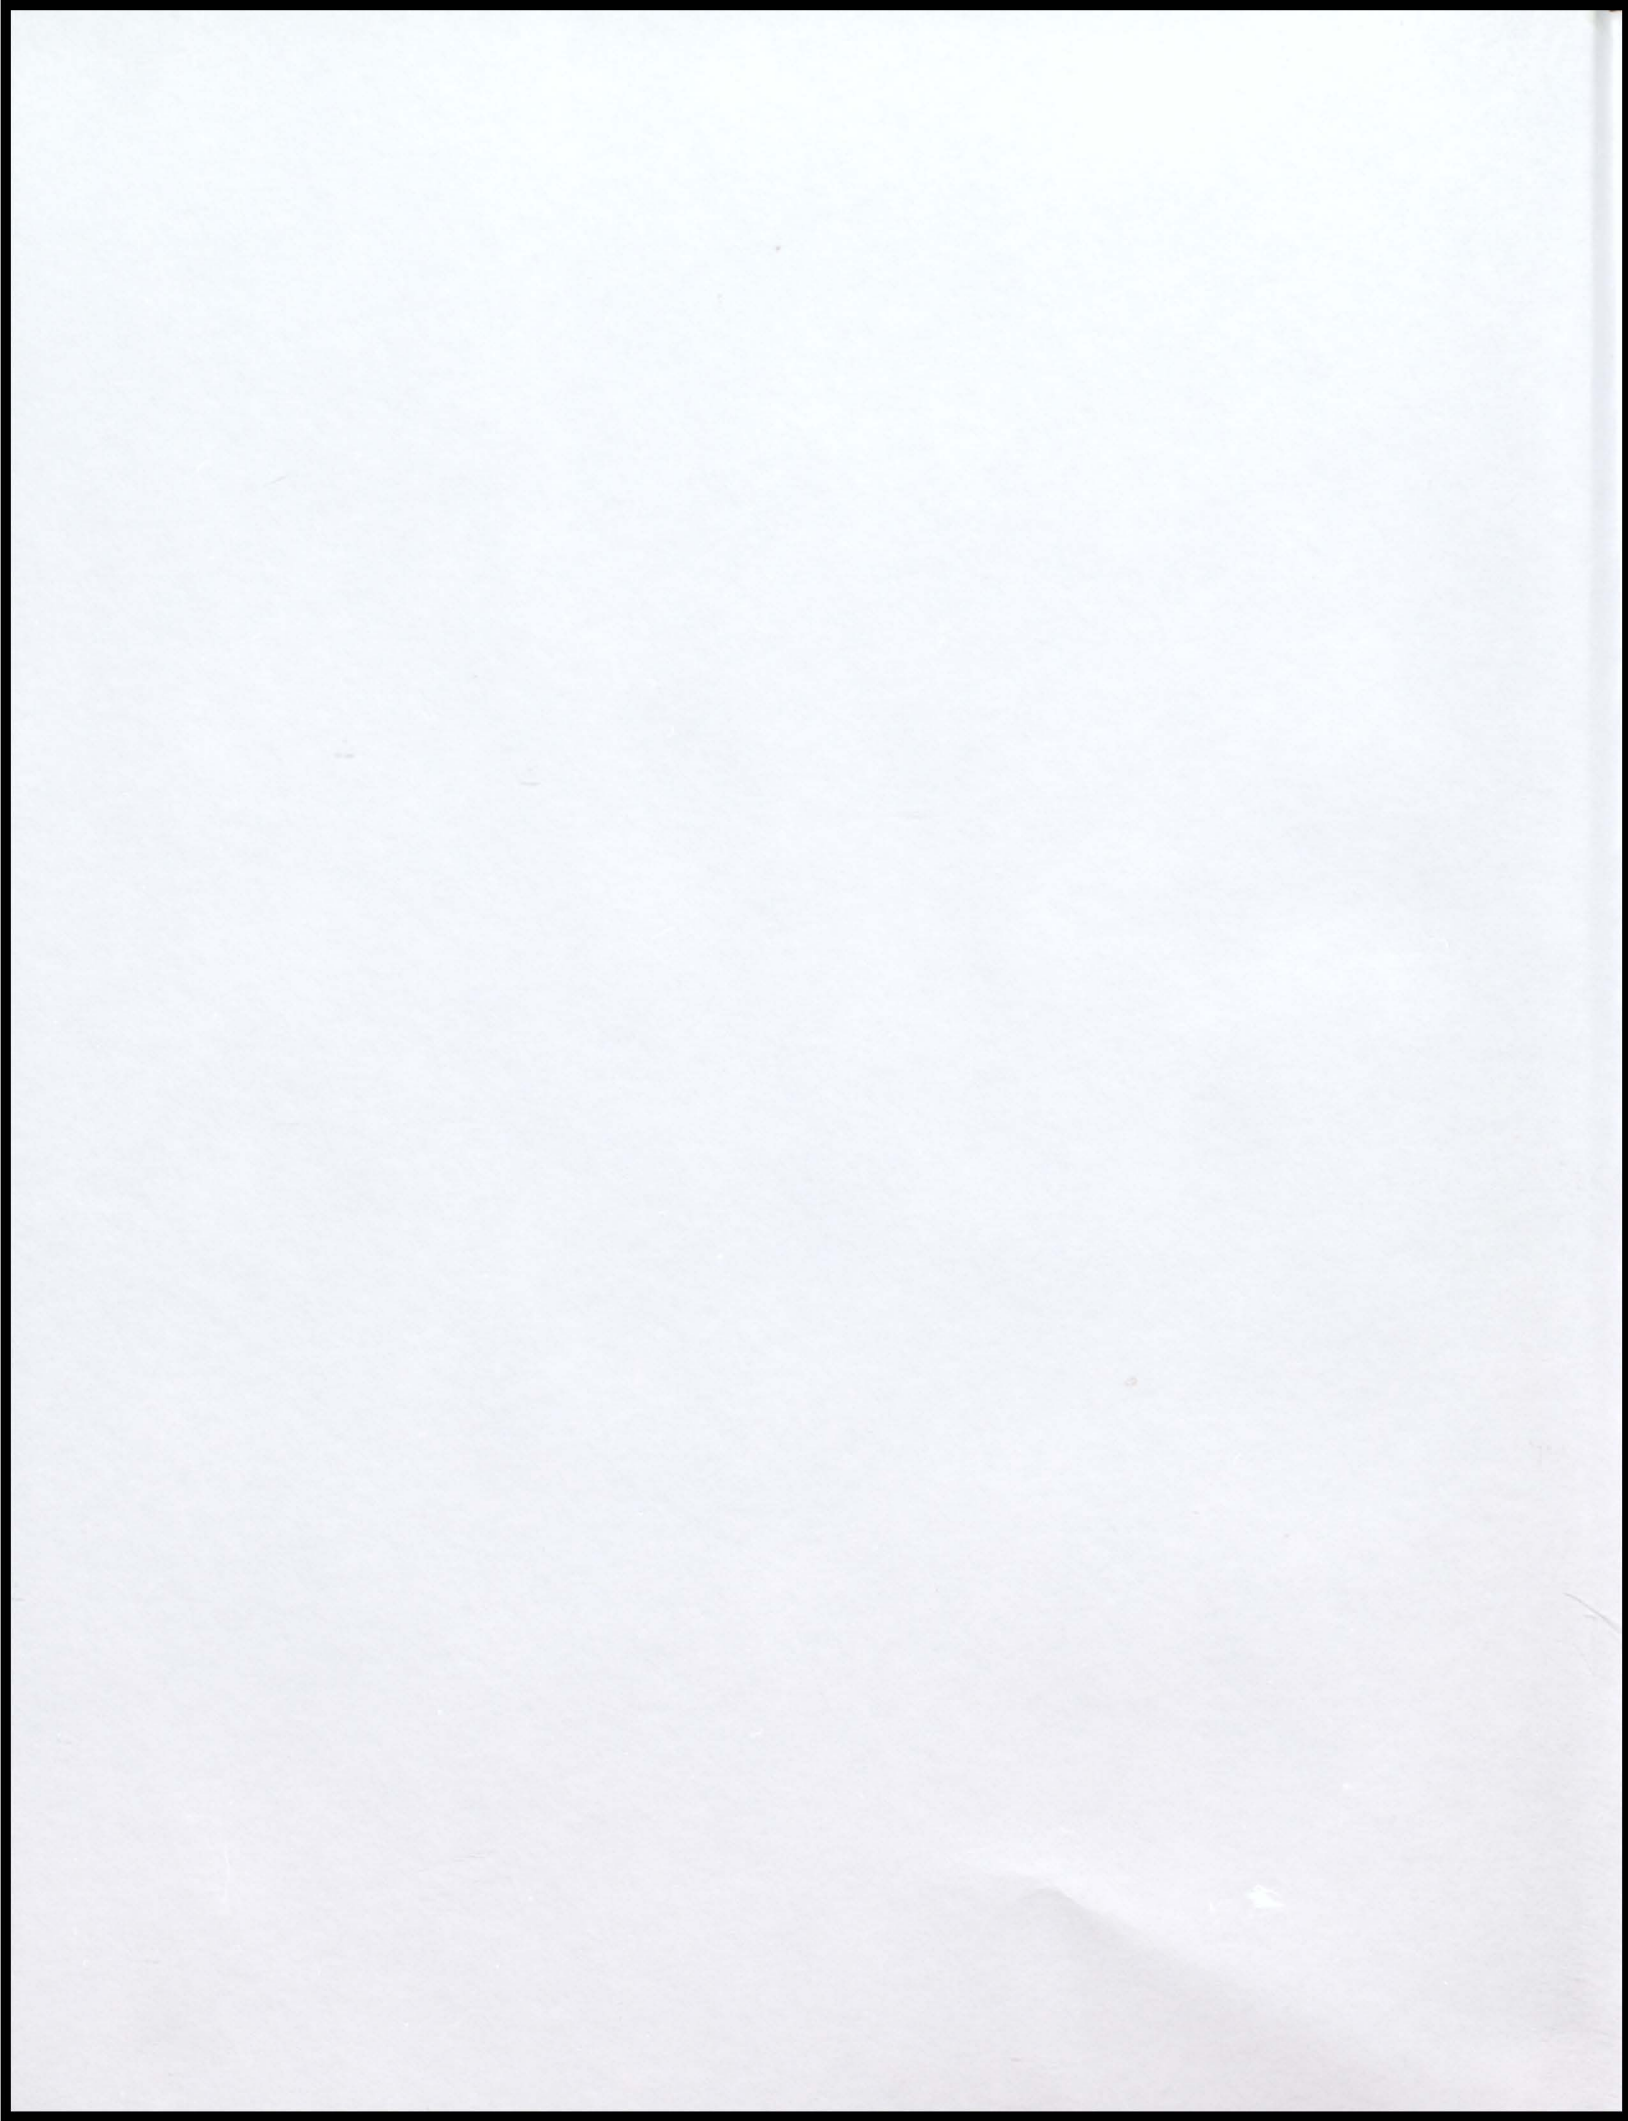

**extremely excited to see  
what you do with your  
journey that lies ahead.  
Reach for the stars and let  
nothing stop you. We all  
are so very proud of you,  
congratulations son, may  
God bless you in your  
journey. We all love you so  
very much.  
love, Mom**
