# DEDICATION

We, the Senior Class of 1950, dedicate this edition of the HILLBILLY CAPERS to our dear friend and former teacher, Mrs. W.R. Cates.

Because of her help and guidance during our last years in grade school, we have been better fitted for our high school work. Not only has she contributed to our education, but also through her patient and loyal leadership, she has gained our friendship and love.

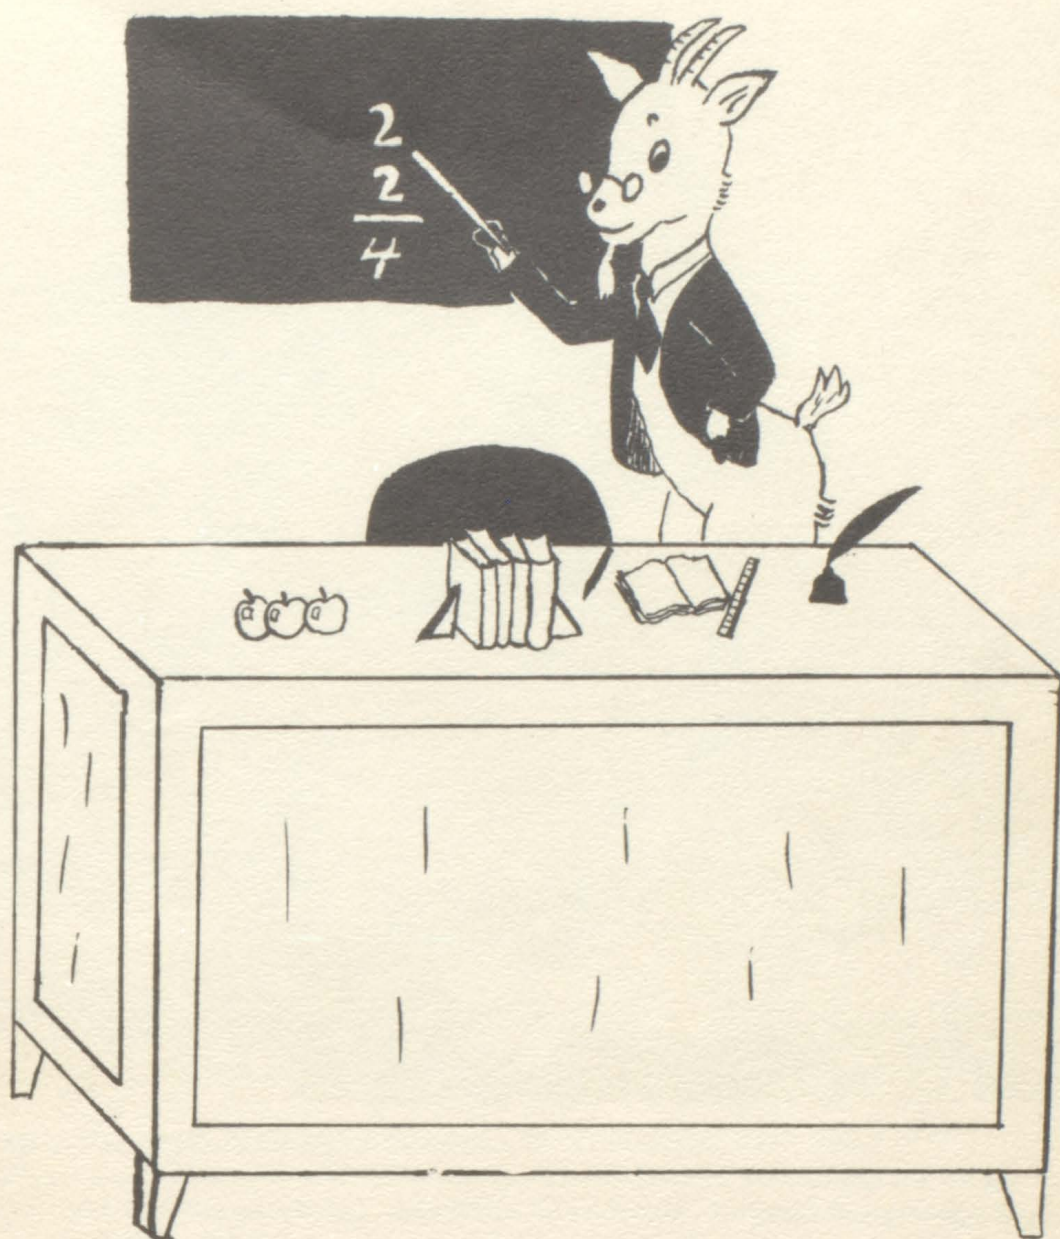

# BOARD OF EDUCATION

(Left to Right) H. E. Barnes, Superintendent; R. L. Stallings, Secretary; W. A. Jackson; J. B. Shockley, President; V. L. Jones; Dick Clay; M. H. Ulmer; and Lonnie Smith (not pictured).

JG.

# ADMINISTRATION

HILLBILLY CAPERS STAFF  
Knott County Line High School

Congratulations to the entire staff and sponsor of the 1950 Capers! This publication is evidence of what cooperative effort can do. I believe that each year our annual grows better--and this is no reflection on past staffs; only a natural attainment. Every staff should attempt to do a little better than the year's preceeding staff. This year in spite of discouraging factors, you have set a high standard for future staffs.

Congratulations to the entire student body of Knott School for a most successful school year. It has been an outstanding year for school achievement and individual accomplishment. The faculty and administration wish continuing success for each and every one of you.

Good luck,

*Homer E. Barnes*

H. E. Barnes  
Superintendent

Congratulations to the entire annual staff for the creation of such a splendid yearbook. This publication certainly proves what cooperative effort can accomplish, and it sets a very high mark at which the students of the future may aim.

May I offer my personal congratulations to the student personnel of the high school for your splendid cooperation in making this a most memorable year. May you always remember this year, not for the mistakes that have been made, but for the worthwhile things that have been accomplished.

Sincerely,

*O. B. Smith*

O.B. Smith  
Principal

The Senior Class:

To the senior class of Knott High School of 1950, I would say that success can not be measured by the amount of money you earn in life, nor can it be measured by the amount of land you may acquire, neither can it be measured by the number of cattle one may possess or any other material substance that may be won by hard work.

The best measure for success is the service one renders to his fellow man. If one earns great wealth and uses most of it for the betterment of mankind, he may be called a success. If one has great talent and uses it for the good of all, he is a success.

Remember, Seniors, that the service one renders to mankind will determine how successful one is in life, so make your lives count.

Sincerely,

*Clyde S. Ross*

### SPECIAL APPRECIATION

This book has been made possible by the cooperation of the faculty and students of Knott Independent School.

As Sponsor of the 1950 edition of the Hillybilly Capers, I wish to express appreciation for all of the assistance given me and the staff by Mr. Barnes, Mr. Smith, Mr. Ross, each teacher in grade school and high school and the trustees.

The excellence of this book is due in a large measure to the work of those students who used their own time to compose, illustrate, and make-up this edition. Particular thanks are due in a large measure to Jerry Grant, J.R. Newcomer, Charlene Mathews, and other students and staff members, who have spent many hours working so that you might enjoy this yearbook.

Don Barnes and his business staff raised the money needed to publish this annual. They also merit deep appreciation.

I, as sponsor, wish to thank these and all others who have helped make my job lighter and the 1950 Hillybilly Capers better.

We wish to acknowledge the help given us by Shugarts' Studios and the Newsfoto Publishing Company.
