KNOTT SCHOOL

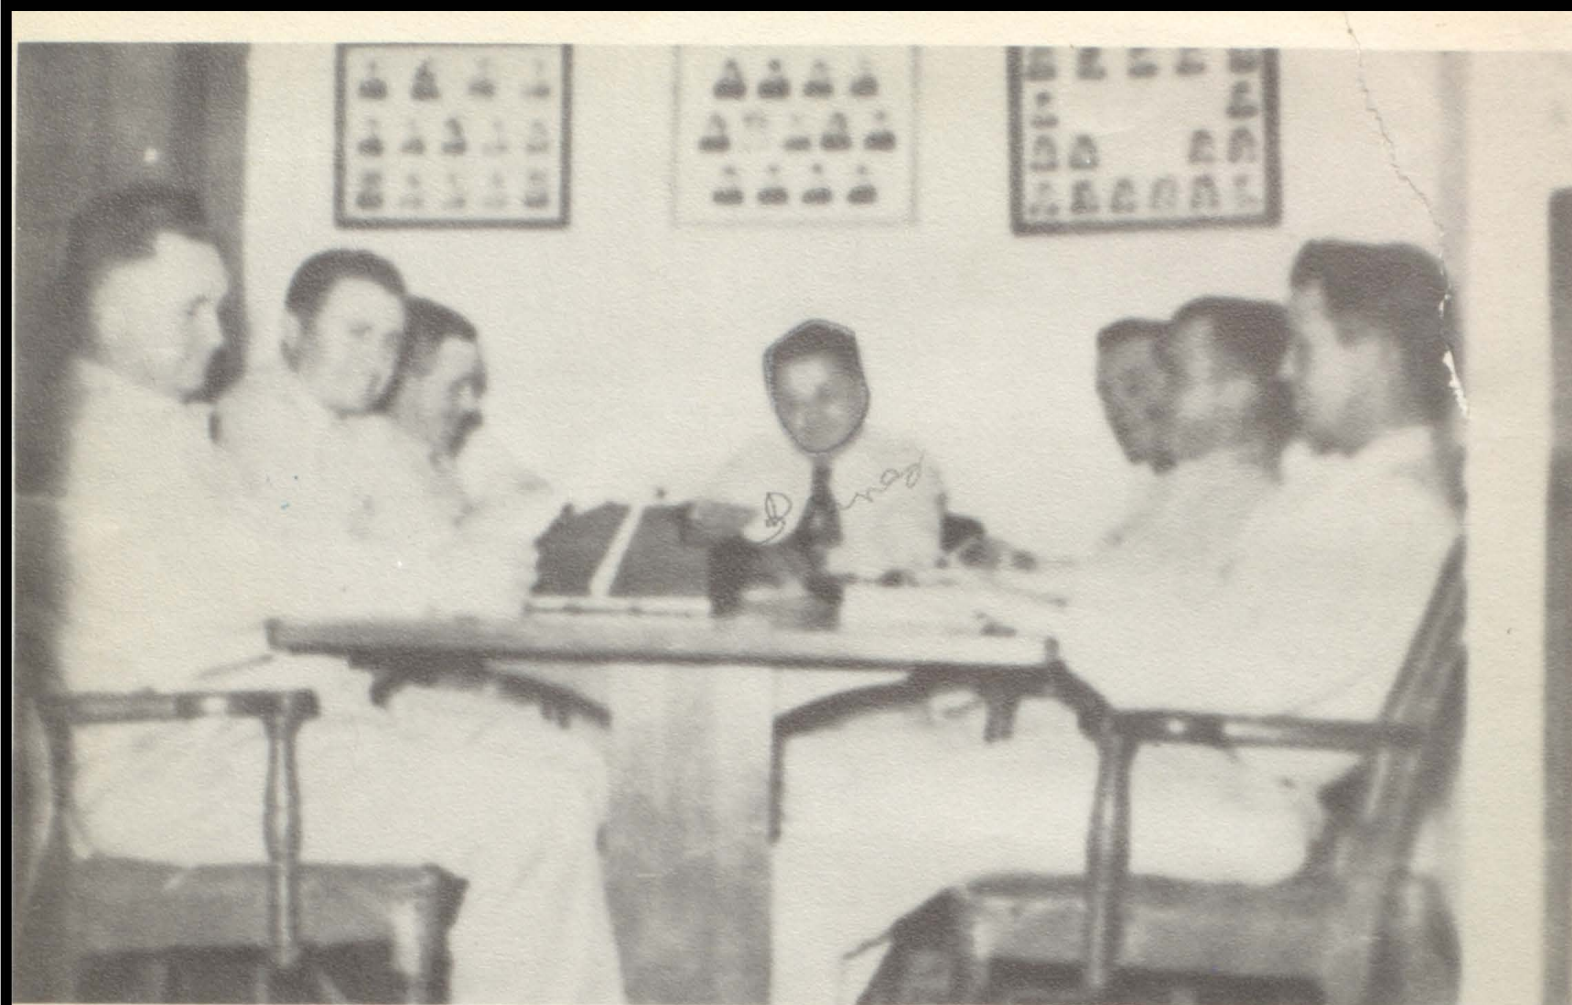

DEDICATION

We, the Senior Class, dedicate this, the 1951 HILLYBILLY CAPERS, to our class sponsor, friend and teacher, Mrs. Rosie Misek.

Our Senior year has been as wonderful as we hoped it might be largely because of Mrs. Misek's unfailing energy and helpfulness. Without her we could have accomplished nothing; with her help this year has been a year which will live long in our memories and hearts.

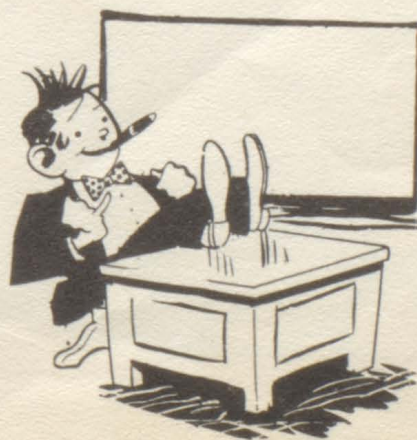

Board of Trustees

M. H. Ulmer, J. B. Shockley, Dick Clay, Superintendent H. E. Barnes, Harrison Woods, Lonnie Smith, and V. L. Jones. (Fred Parker not shown).

ADMINISTRATION

TO THE HILLBILLY CAPERS STAFF AND SPONSORS

True to the traditions of former years, you have assumed responsibilities of leadership that mark you as outstanding individuals. You have cooperatively worked hard with your sponsors in putting out this 1951 edition of HILLYBILLY CAPERS. This copy is evidence of your willingness to work in effort to keep the standards of "Knott High" flying high.

The 1951 CAPERS is a record of your school activities; it will become a storehouse of memories, that in years to come will give you untold hours of satisfaction and pleasure. As you slowly turn through its pages, you will likely live again the days that were yours but once; and occasionally you may brush away a tear as a tragic memory recalls the stark realities of life.

We are proud of you as individuals and a staff. We congratulate you upon your achievement and wish you and the entire student body nothing but the best of luck and happiness!

Sincerely your friend and superintendent,

Homer E. Barnes

Congratulations, Seniors and Staff members of the 1951 HILLYBILLY CAPERS. This book will be one of your cherished possessions in years to come because it reflects the best of Knott High.

It is my sincere hope that each student has this year gained at least one thing which will widen and broaden his horizon and had many experiences which will better fit him for life in this amazing century.

Sincerely,

O. B. Smith

Thank you, Seniors and Staff members. You have been a joy to work with and I think you have done a good job on this, the 1951 HILLBILLY CAPERS. Thanks to all the teachers and students who have co-operated with us in getting out this book. Special thanks to Mr. Barnes who always takes an interest in our work and helps with our plans. We owe a debt of thanks to the business men in Big Spring, Knott, Ackerly, and Lamesa who have made our book possible by buying advertisements from us. Without the assistance of Roberts Studio, Newsfoto Publishing Company, and Mr. Ezzell we would not have been able to give this book to you who have helped us by buying it. We hope that in years to come this copy of the 1951 HILLBILLY CAPERS will give you joy as it keeps fresh for you the high spots of this school year.

Thanks a million and good luck
