ACKERLY INDEPENDENT SCHOOL J. M. GLASSCOCK, SUPERINTENDENT

ACKERLY, TEXAS

Students of Ackerly High School:

Another school year is rapidly passing. I hope that each of you can say, "It has been a successful year." May I congratulate you on the achievement you have made in both curricular and extra-curricular activities this year.

Since a democracy offers the best way of life for services, let the difficulties you encounter today be the challenge to win tomorrow. Prepare to face the problems of the future with courage and faith, remembering the future of our great America rests with the loyal and honest citizens of your generation.

May success and happiness be yours.

Sincerely your friend,
