

**SANDS**

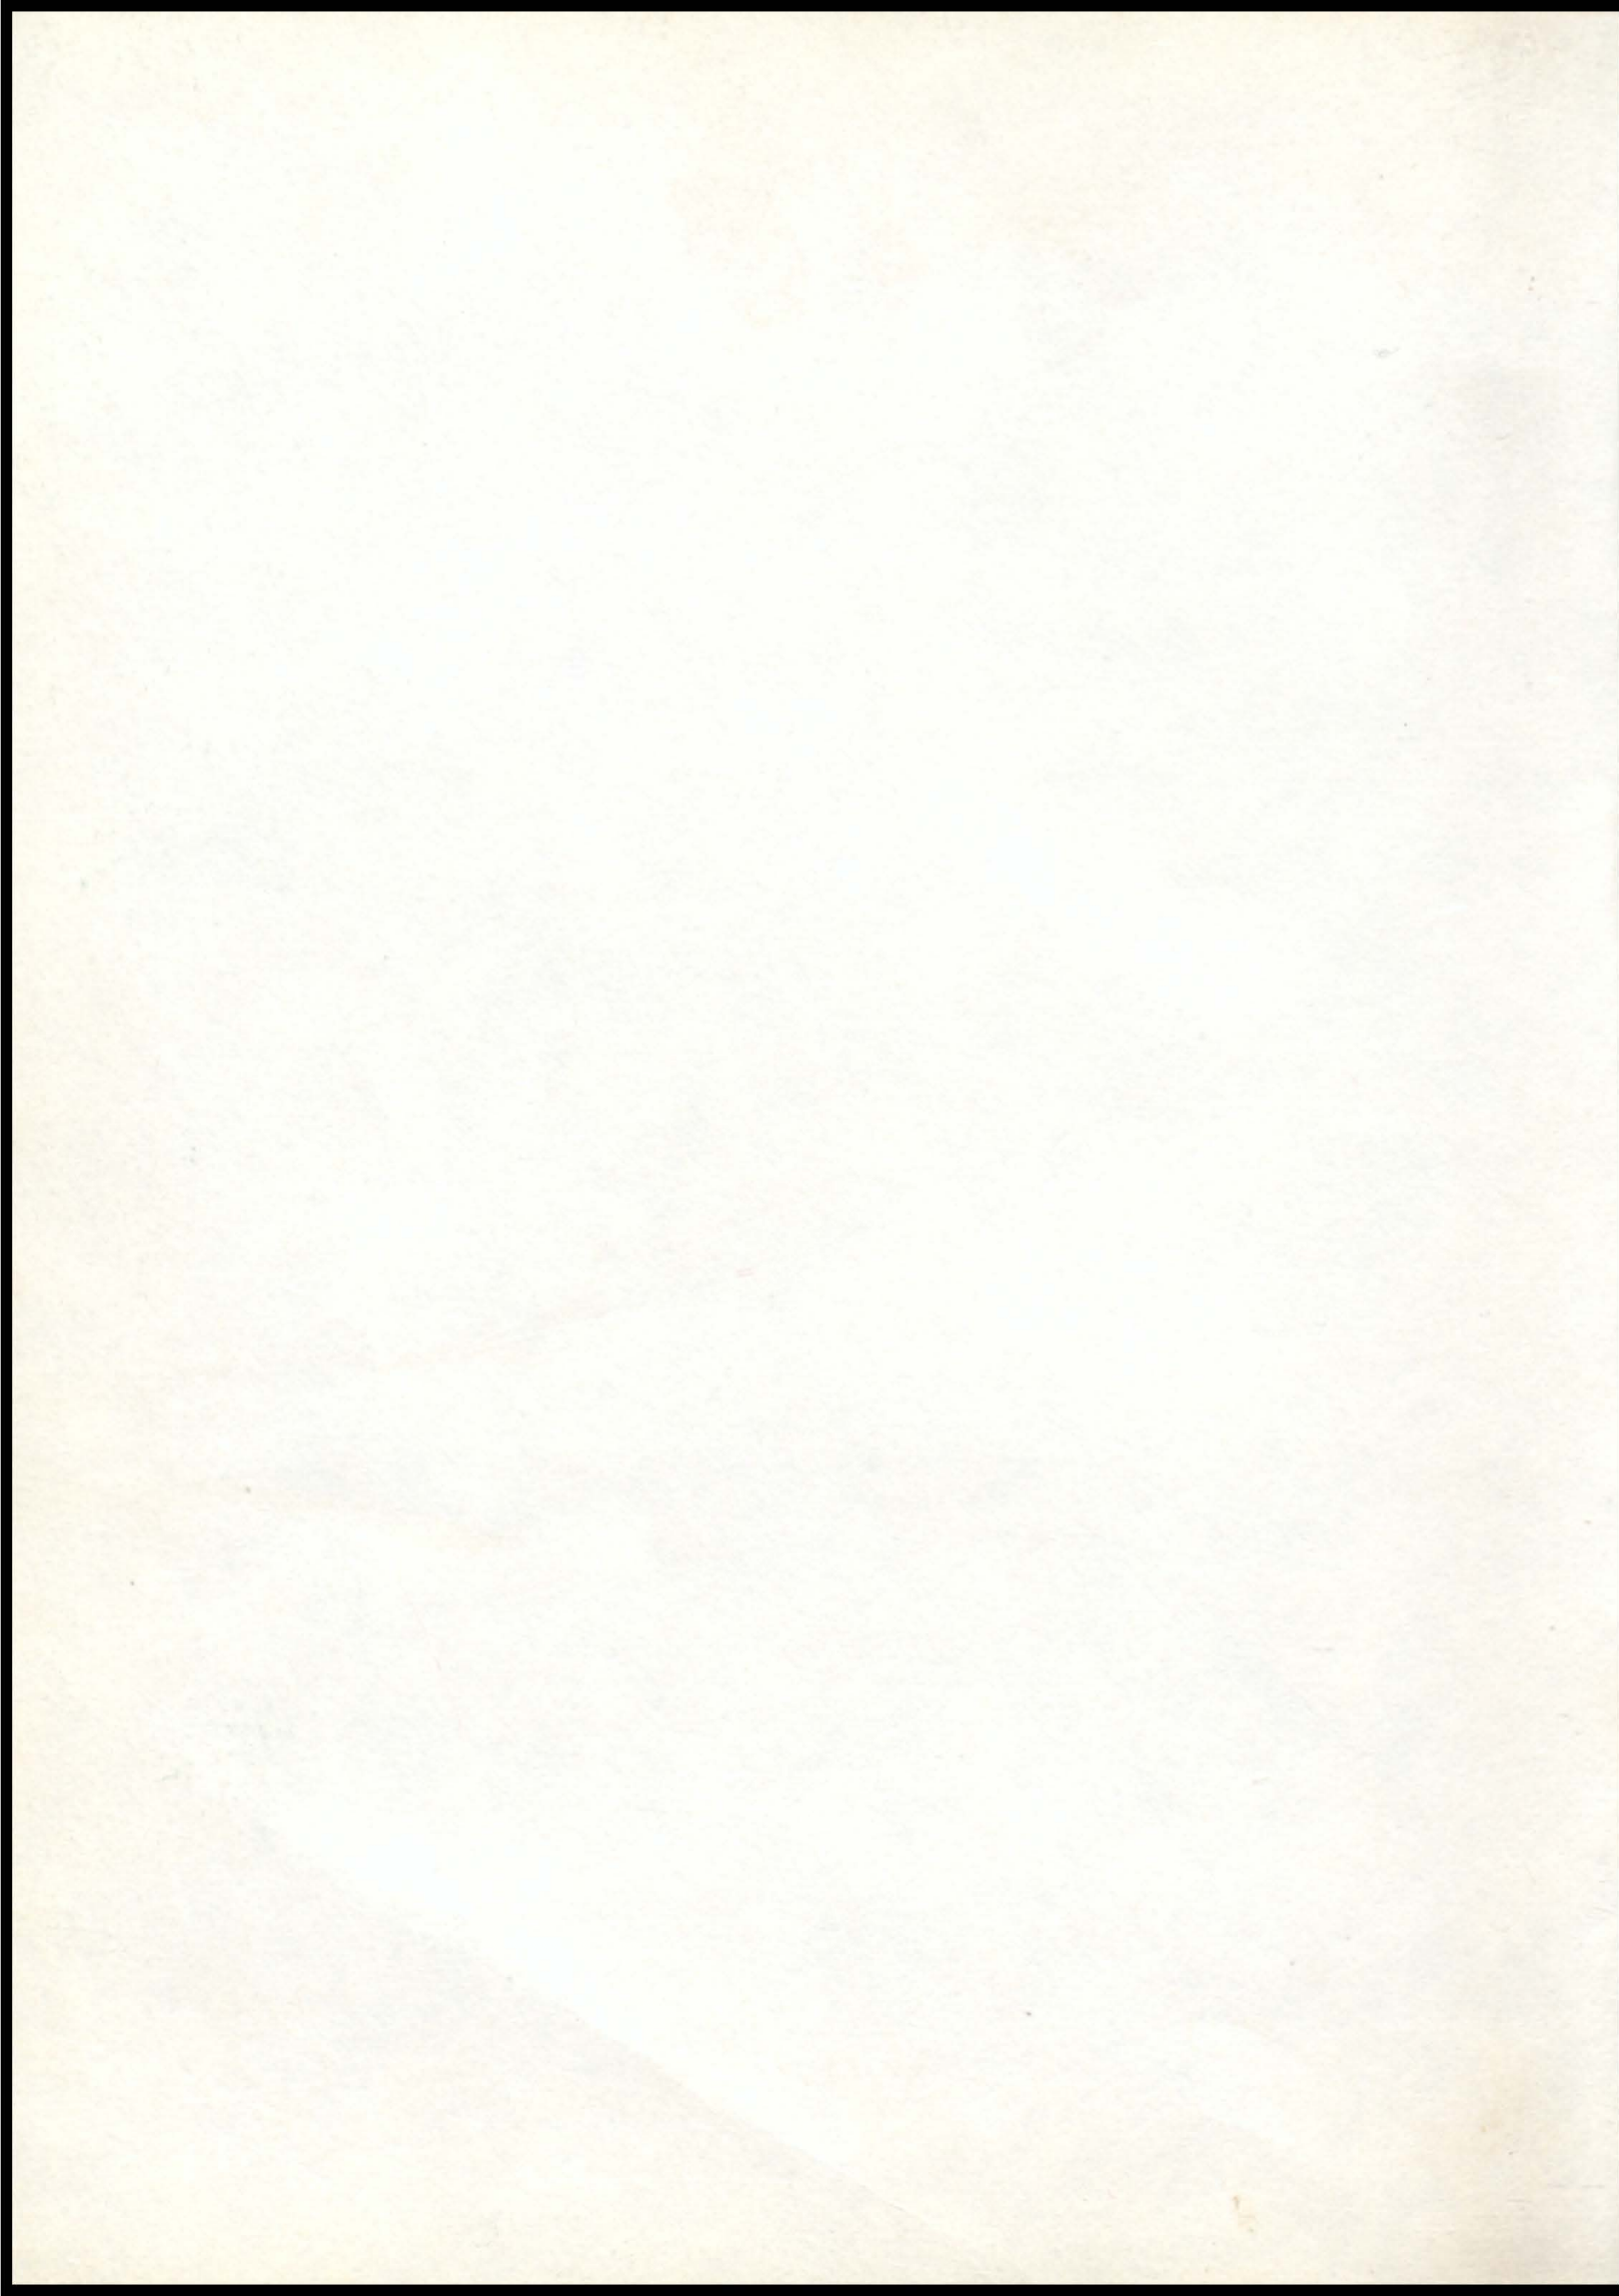

We, the annual staff of 1960-61, made this volume of the Mustang with you in mind, and hope that you enjoy it, now and forever. If you look through this annual several years from now and smile at the good times and shed a tear at the fond memories, then we will be thoroughly satisfied. For this is the goal we had in mind when we started to work.

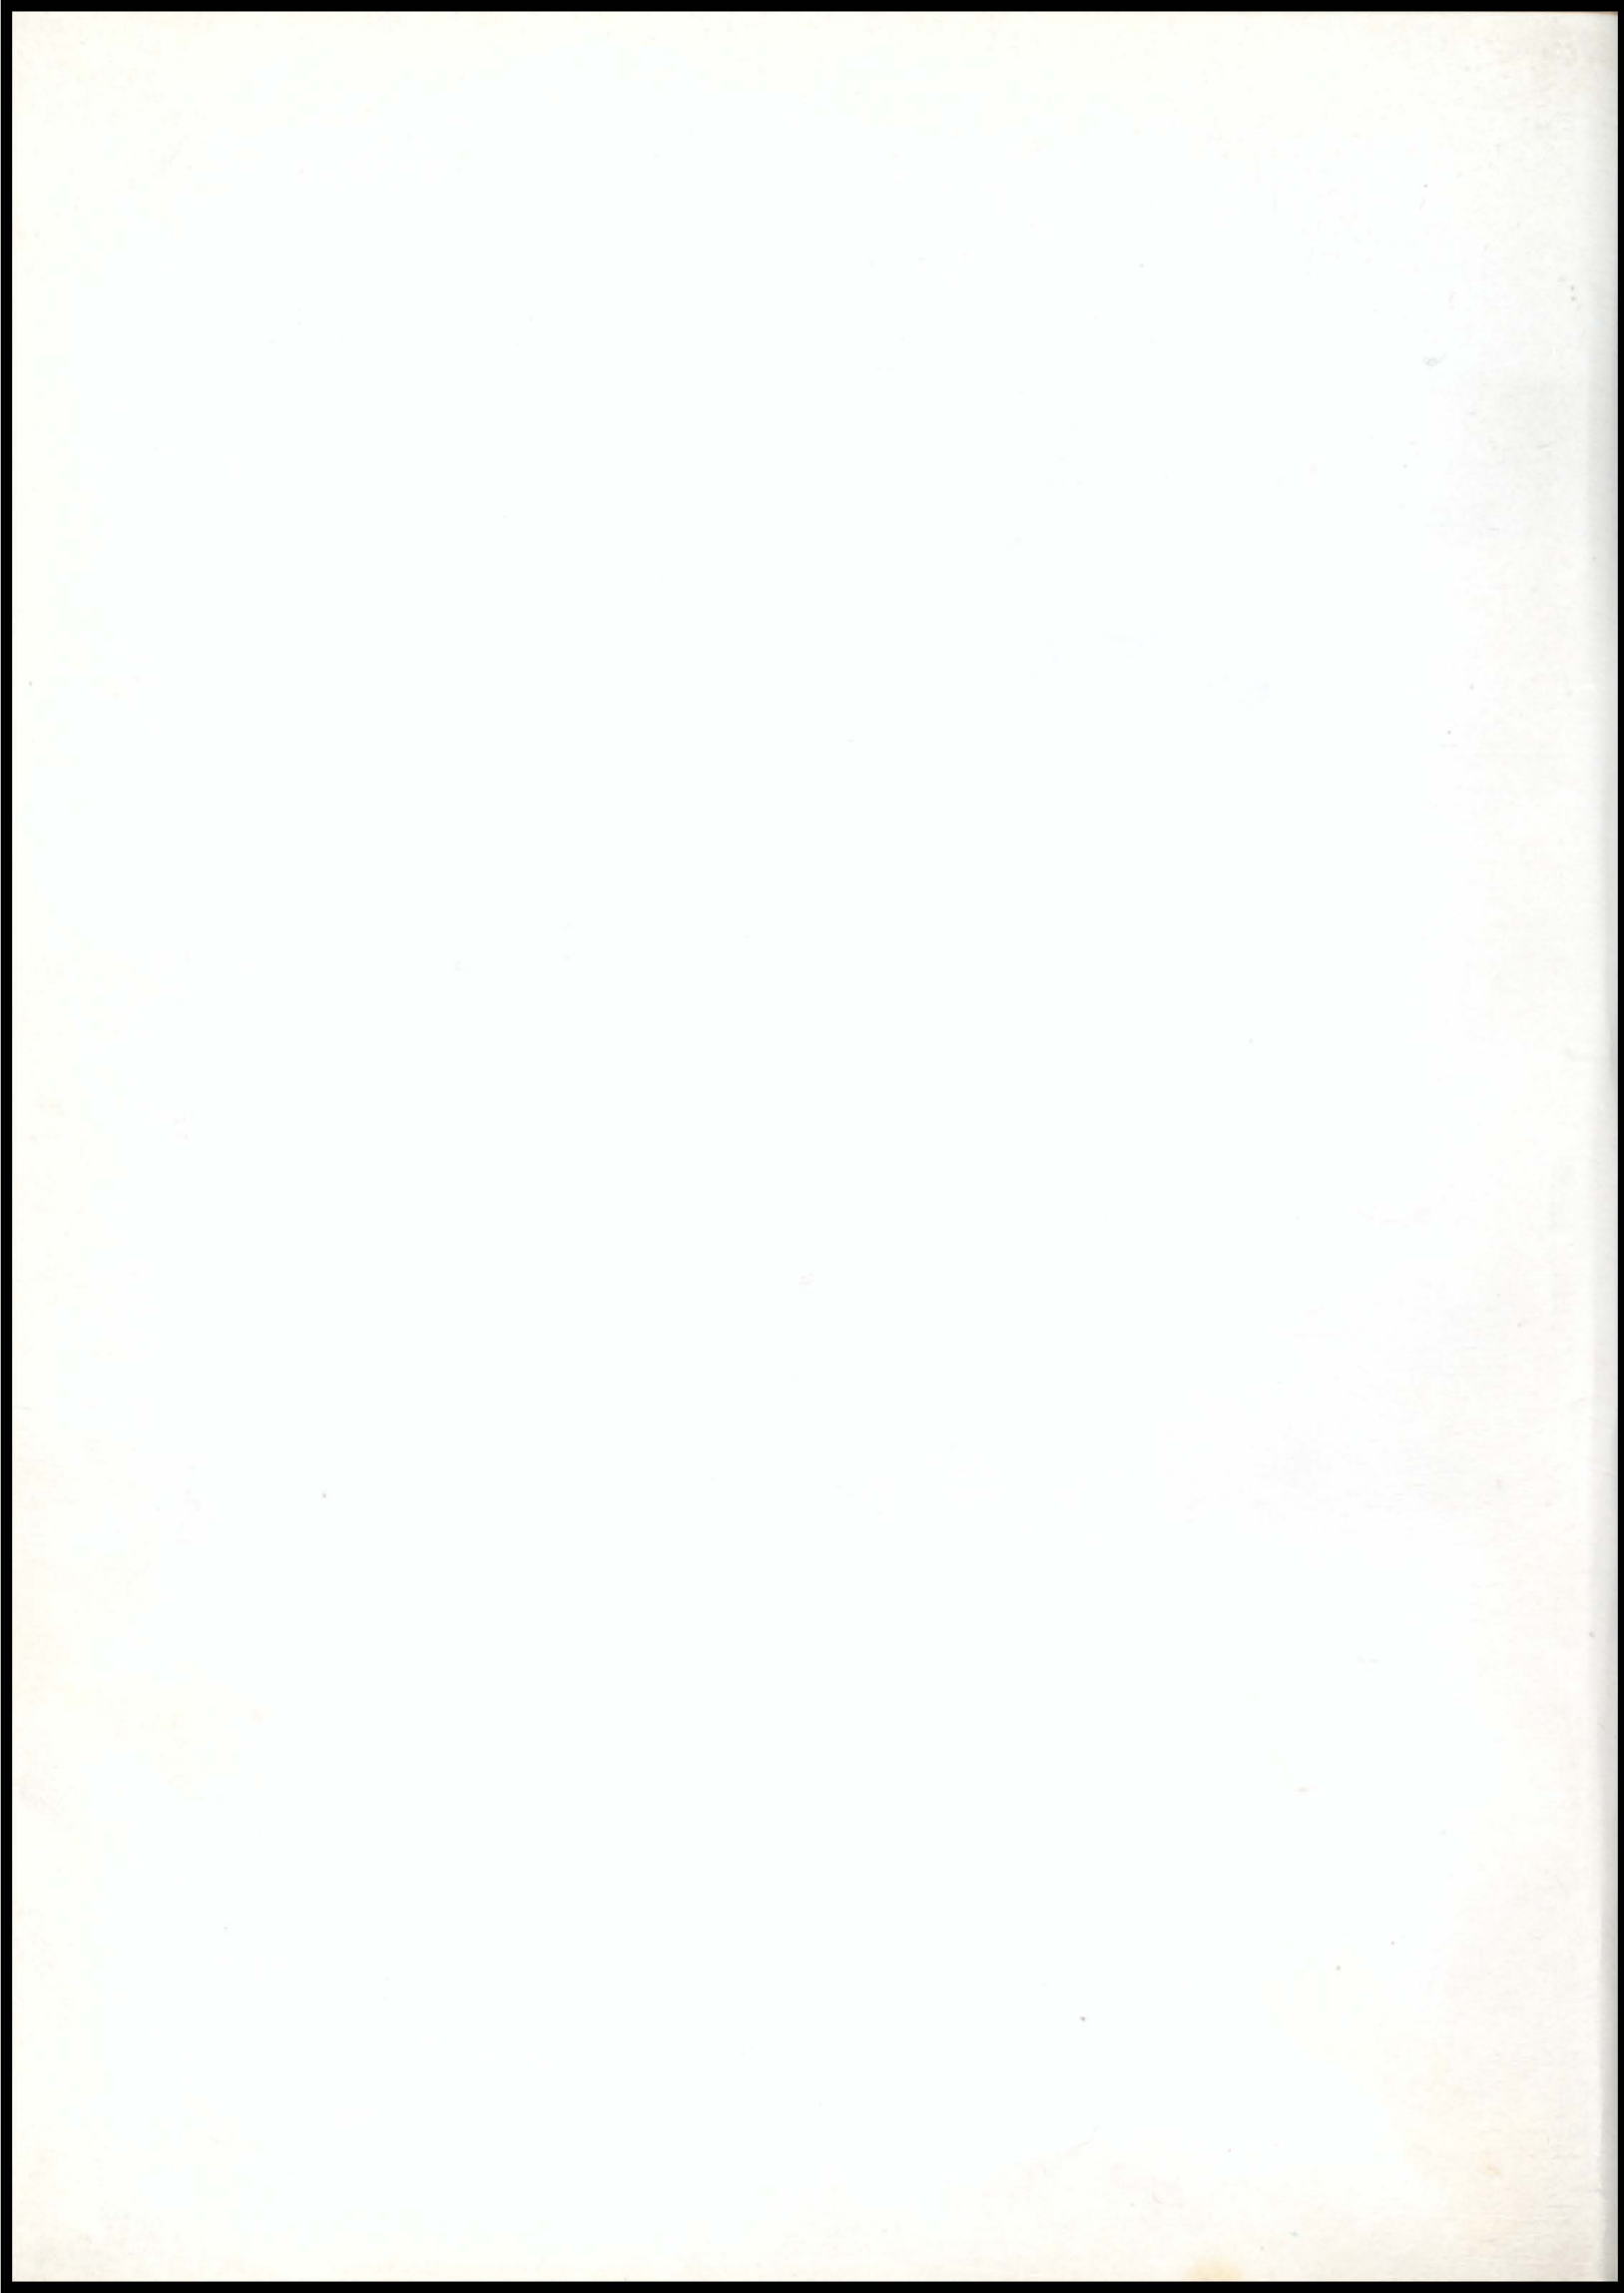

Take the Mustang and enjoy it, for the thoughts and pictures are yours, we only put them together.
