MUSTANG

The pathways through high school are memorable ones. We hope that through this book, we have portrayed a span of these pathways to the future upon which each of us travels,

Education is in itself a wide and heavily traveled pathway. There are many forks in this pathway - each leading to some goal set by those who are traveling upon it,

Just as some roads are unpaved, so are some pathways to success unpaved. There are many rough and threatening sections. However, if the goal is kept in view, all difficulties can be surmounted, and the pathway will have served its purpose of furnishing a means of guidance,

We are proud of our faculty who are the guideposts along our pathway through high school. Without them our trek would be futile.

With all these things in mind, we present to you the 1964
MUSTANG.

The

1964

Mustang

Presented by

The Senior Class of 1964

Sands High School

Alma Mater

Hail, all hail, to all you Mustangs,
Hold your banner high
Fight on for your victory,
Honor your brown and white.

Sands, dear Sands, we love you,
Long may your anthem ring.
We'll be loyal, we'll be true
And loud your praises sing.
