The 1968 MUSTANG has been designed to portray in pictures and words our life at Sands School this year. It is our guide to the highlights of student activities this year. You will find pictures of drudgery and hard work, play and excitement, success and even some failures; but after all, it is a combination of these things that have made up our year. Each student pictured has added in his own way to the heritage of Sands while growing in knowledge, understanding, and maturity.

With an eye to the future, Sands has initiated new programs, modernizing the curriculum to enable today's students to gain the skill and knowledge to become better men and women prepared to succeed as leaders and citizens of tomorrow's complex and everchanging world.

IN MEMORY  
OF  
LARRY DON  
GRIGG

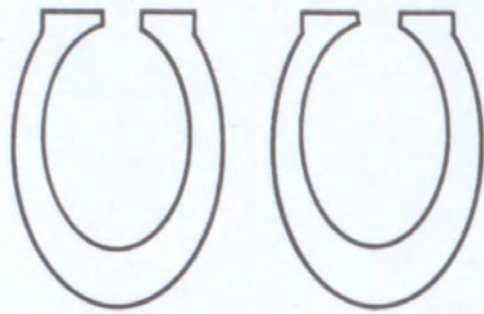

The students of Sands High School will always cherish the memory of Larry Don Grigg, 1949-1967. He was a former member of our high school and will be remembered as a close friend to many of us.

DEDICATED  
TO  
MRS. BARBARA  
GANDY

The Senior Class of 1968 can never express their deep appreciation to Mrs. Barbara Gandy for all she has done for us. The dedication of the 1968 Mustang is just a small token of their many thanks. She has been teacher, counselor, advisor, and close friend to each member of the class.

But, Mommy, I don't want  
to name it Shara Dee!

Londa, did you really eat  
that bug?

Joe Barnes was a child movie  
star.

Jackie always had a sexy curl!

Gary still prefers dresses  
to pants.

You'd know a Fryar  
anywhere.

Kenney, what did you catch  
this time?

Do you suppose that's eggs  
in Larry and Jeff's baskets?

No wonder Lynn likes  
Freddie.

Can you imagine Joe Grigg  
being a little devil?

Sandy always makes big catches.

Douglas wasn't too bashful then.

Who are you waiting for Rickey?

Sara had dimples then too.

You'd know Mike anywhere.

Could Donald's name be Mr. Clean?

Ronnie, watch out for the "three bears"

Charlie always drooled.

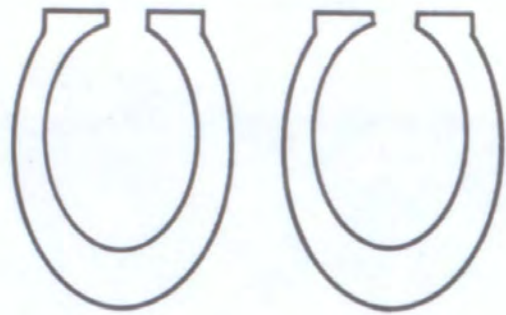

Hisidra, what are you looking at??

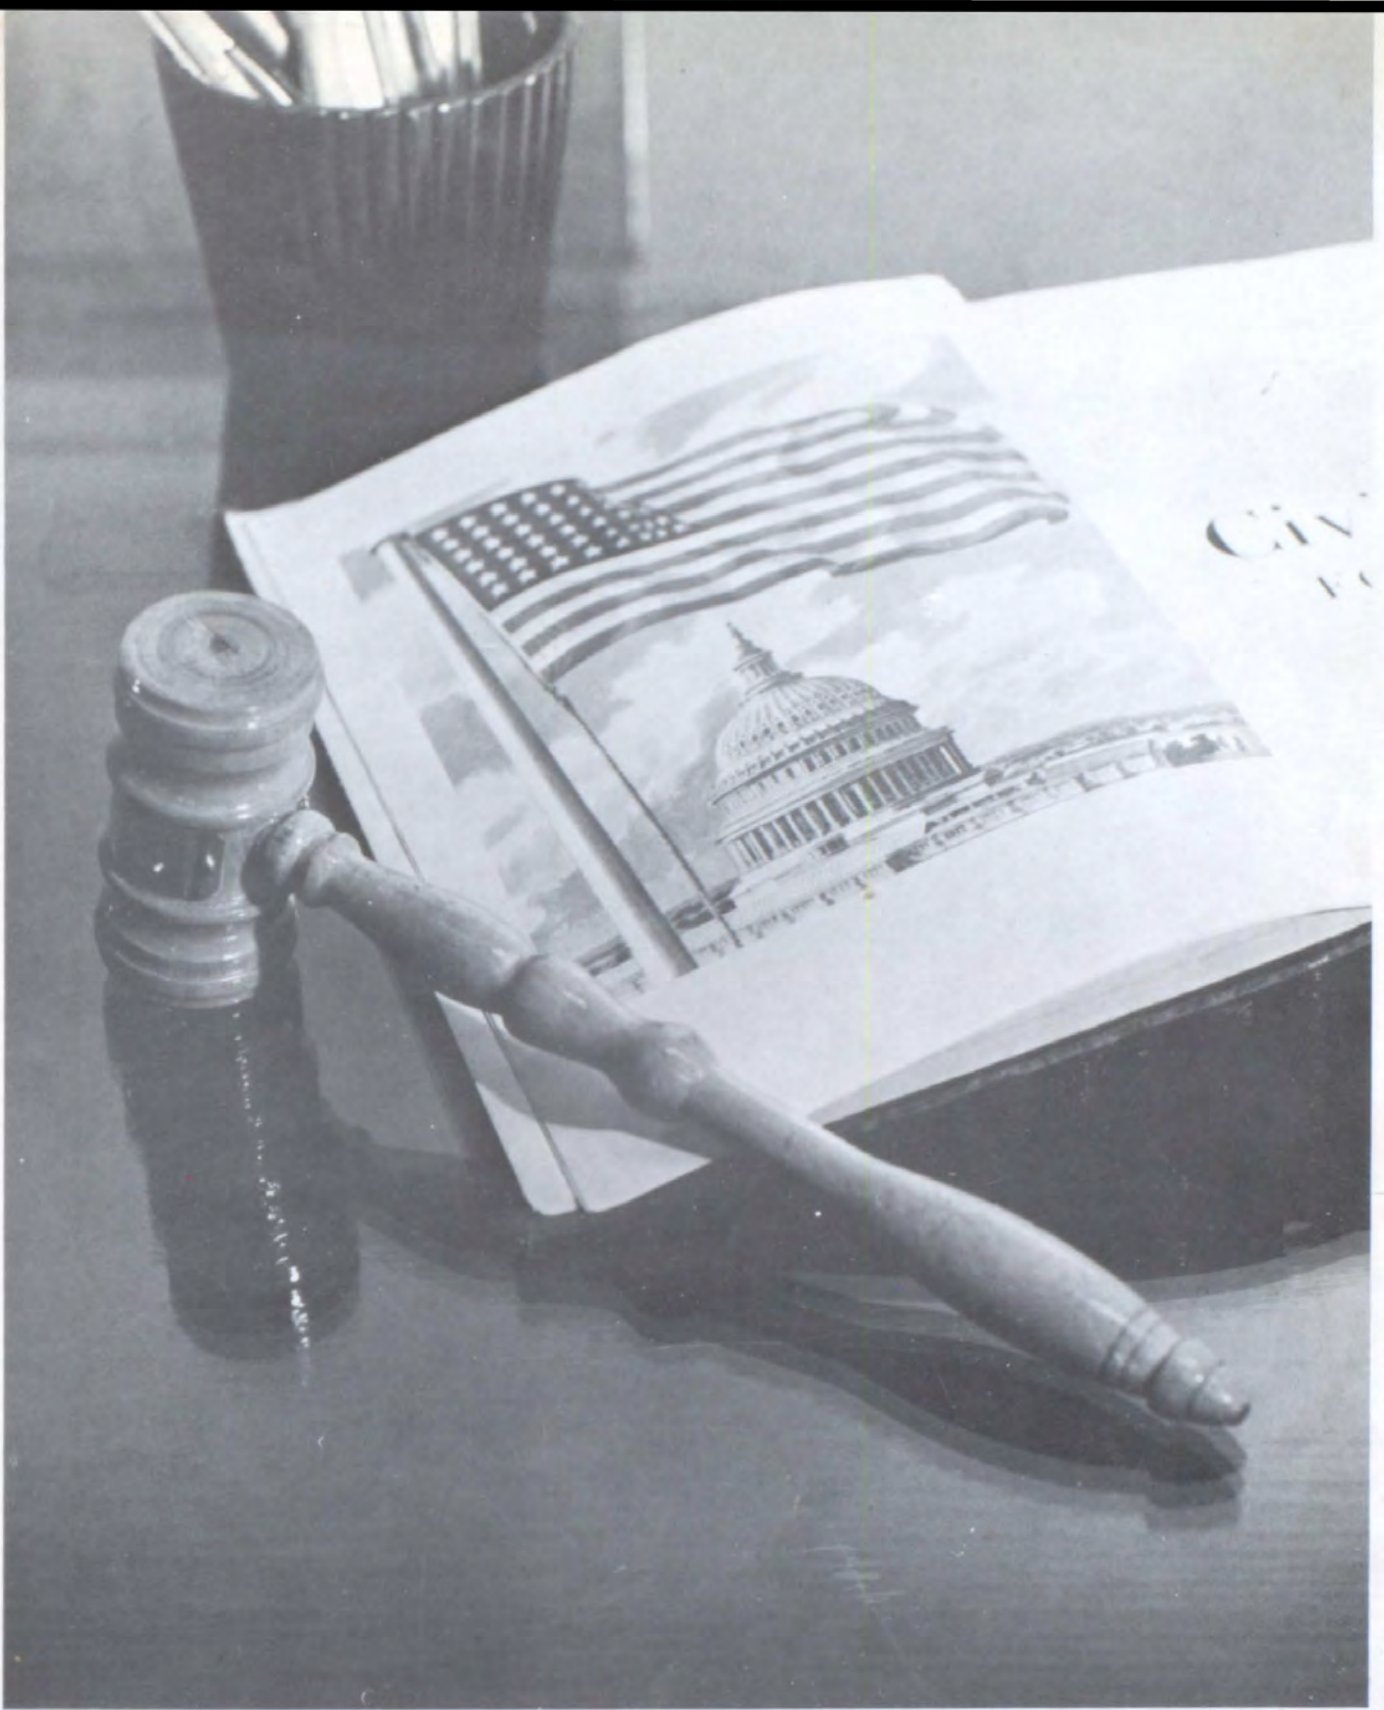

Did Cheryl wear contacts in the First Grade?

Vicky's "War Cry"

## THE TITLE I READING PROGRAM

MRS. NANCY GOODSON  
Reading Teacher

The basic premise of The Title I Program is that through proper diagnosis, reading disabilities can be identified and described for each educationally deprived child; and when identified and described, they can be treated by using the Reading Stations equipped with the necessary machines and supplies under the Title I Program.

## YOU CAN TAKE US FOR GRANTED

You switch on a lamp, and there's light. You set the thermostat, and there's comfort. You turn on the TV, and there's entertainment.

When you use handy, ever-present electricity, chances are you never stop to think of the effort, time and equipment involved in generating it and delivering it to your home.

And there's no need for you to ponder it. We're thinking and working every day, to see that you have a continuing supply of electric energy. In fact, we were con-

sidering your present needs years ago, and right now we're planning for your future electrical requirements.

So go ahead. Take us for granted. We wouldn't have it any other way.
