THE SENIOR CLASS—1970

### FOREWARD

The Seniors of 1970 want each student to be able to pick up this Mustang and to see the whole year for the entire school.

We want each of you to use this yearbook as a reminder of the good days and laughter, the hard days, the tears, the hectic days filled with problems and the solution to these problems.

We hope that all can remember the little things along with the big—the powder puff, workouts, the building of our bon-fire, the backing the Mustangs at the pep rallies, the ups and downs of football, the receptions to honor the fighting Mustangs, achievement of personal honors, assemblies, the playground activities and seeing the flag raised each day.

This then, is your Mustang—1970.

# DEDICATION

## Mrs. Barbara Gandy

Inspiration for the student often comes from communication with an individual teacher who provides personal encouragement through the example in his or her own life of an inquiring mind . . . A steadfast faith . . . the warmth of friendship . . . loyalty and service to nation, community, school . . . and the rare ability to understand that each individual needs to find his own individual way. The MUSTANG staff dedicates this yearbook to such a teacher . . .
