# I REMEMBER . . .

. . . singing the school song at the bonfire pep rally, the noon hour rush to the cafeteria, three minutes in the halls between classes was hectic, taking time out for pictures, and how we showed our Mustang spirit.

### *Alma Mater*

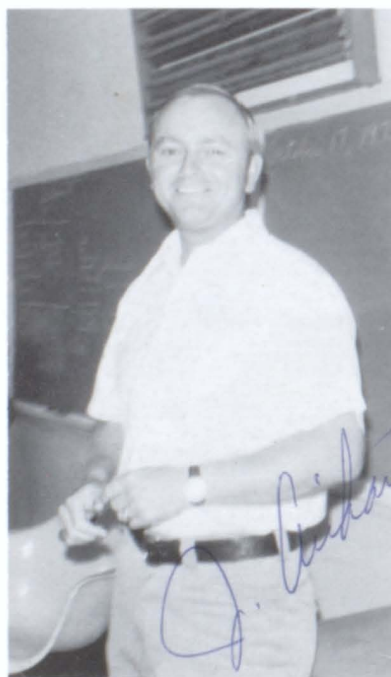

Hail, all Hail to all you Mustangs. Hold your, banner high. Fight on for your victory, honor your Brown and White. Sands, dear Sands, we love you. Long may your anthem ring. We'll be loyal. We'll be true and loud your praises sing.

# DEDICATION

Janette Rutherford and Jimmy Airhart

The devotion and understanding have made them more than names to the students of Sands High. Besides the time they devote to their teaching, their willingness to help whenever asked, and being a true friend has given us the inspiration to continue throughout life knowing they had a part in making our lives richer.

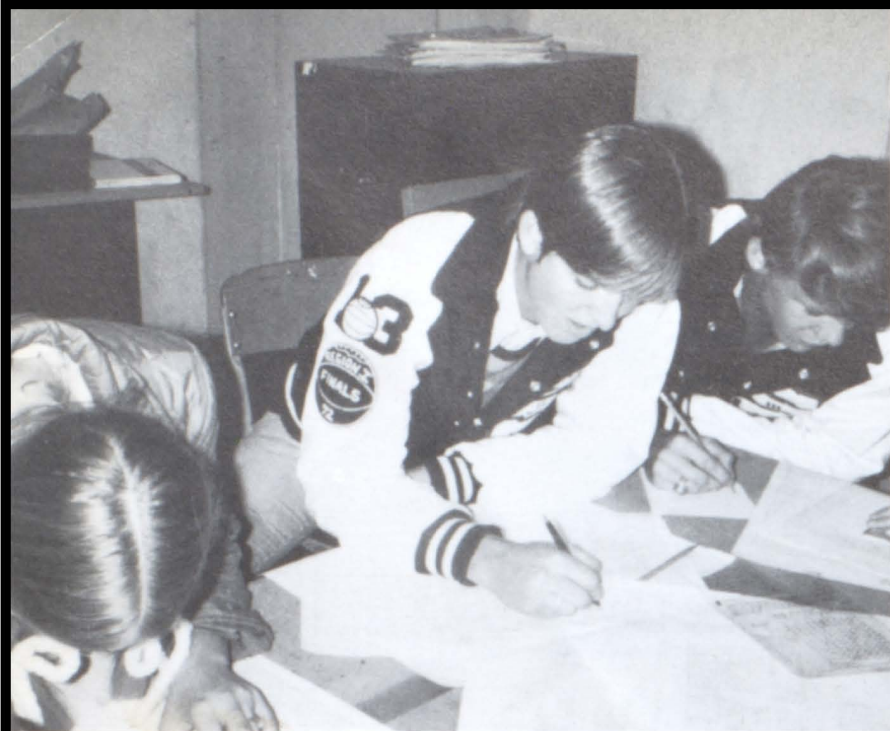

# *IN MEMORY*

Alberto Franco

"Yet if you should forget me for a while and afterwards remember do not grieve; better by far you should forget and smile, than you should remember and be sad."

## ANNUAL STAFF

This was early in the year, hardly anyone really knew what was going on! We sat in our miniature chairs, we sorted ads . . . dead lines waited for no one! Although not all of us is pictured here, each senior and each junior representative did his share! Editors: Keith Nichols, Susie Rodriquez, Jill Hunt.

The editor, staff and sponsor merit our deepest appreciation for their untiring efforts in the preparation of this annual. Your appreciation of this annual will be in proportion to the scholastic, athletic, and social achievements you have made this year.

It is my sincere desire that each of you can say the 1973 school year has been pleasant and profitable, and that this annual will serve to recall to your minds many, many happy experiences in the Sands school.

I would like to leave this thought with you:

Courage must come from the soul within;  
The man must furnish the will to win. So figure it out for yourself my lad—You were born with all that the great have had. With your equipment they all began; Get hold of yourself and say, "I can!"

Sincerely yours,  
M. B. Maxwell, Jr.

Congratulations to the Annual Staff for the production of a fine annual.

To the teachers and student body, I would like to say thank you for making this school year an enjoyable one.

It is my hope that each one of you realize the importance of your high school education. Each should resolve to make the most of this educational opportunity. A productive future is in store for those who recognize this opportunity and take advantage of it.

To the graduating class, may I express the most sincere good wishes and also hope that you will maintain a close relationship with us and the school after you leave.

### *I Remember . . .*

The traditional Halloween Carnival festivities, A Christmas Party to celebrate the ending of one more semester, and Round-Up Week; the following is a poem composed of the happening of that week:

"Down these halls walked the kiddies with their dolls,  
Then came the ambitious from bums to rich,  
rich to richest:  
Who could forget the hippies with their groadies and their hair  
There also were the slaves and their Masters?  
Hail all Hail Brown and White for down these halls, walks the Greatest and Bravest Mustangs!!

## *A Second Dedication To Our Parents*

With deep gratitude and appreciation, we seniors make this second dedication of *Mustang '73* to our parents. Each of us expresses his thanks to his parents in his own individual way. We remember your scoldings, your tears, your laughs, your fears. We remember the love and the guidance that you have shown us. With these thoughts in mind, the class of '73 proudly adds this second dedication to you!
