## SAND'S GANG

# 5,000 REWARD

A VERY DESPERATE-LOOKING BUNCH OF MUCHACHOS, FULL OF SPIRIT AND HIGH HOPES. CAN BE DISTINGUISHED FROM OTHER GANGS BY THEIR WILD ANTICS AND STRANGE BEHAVIOR. IF YOU RUN INTO ANY OF THESE ROWDY DESPERADOS DO NOT CHALLENGE THEM IN ANY SPORT, FOR YOU WILL SURELY BE ANNIHILATED.

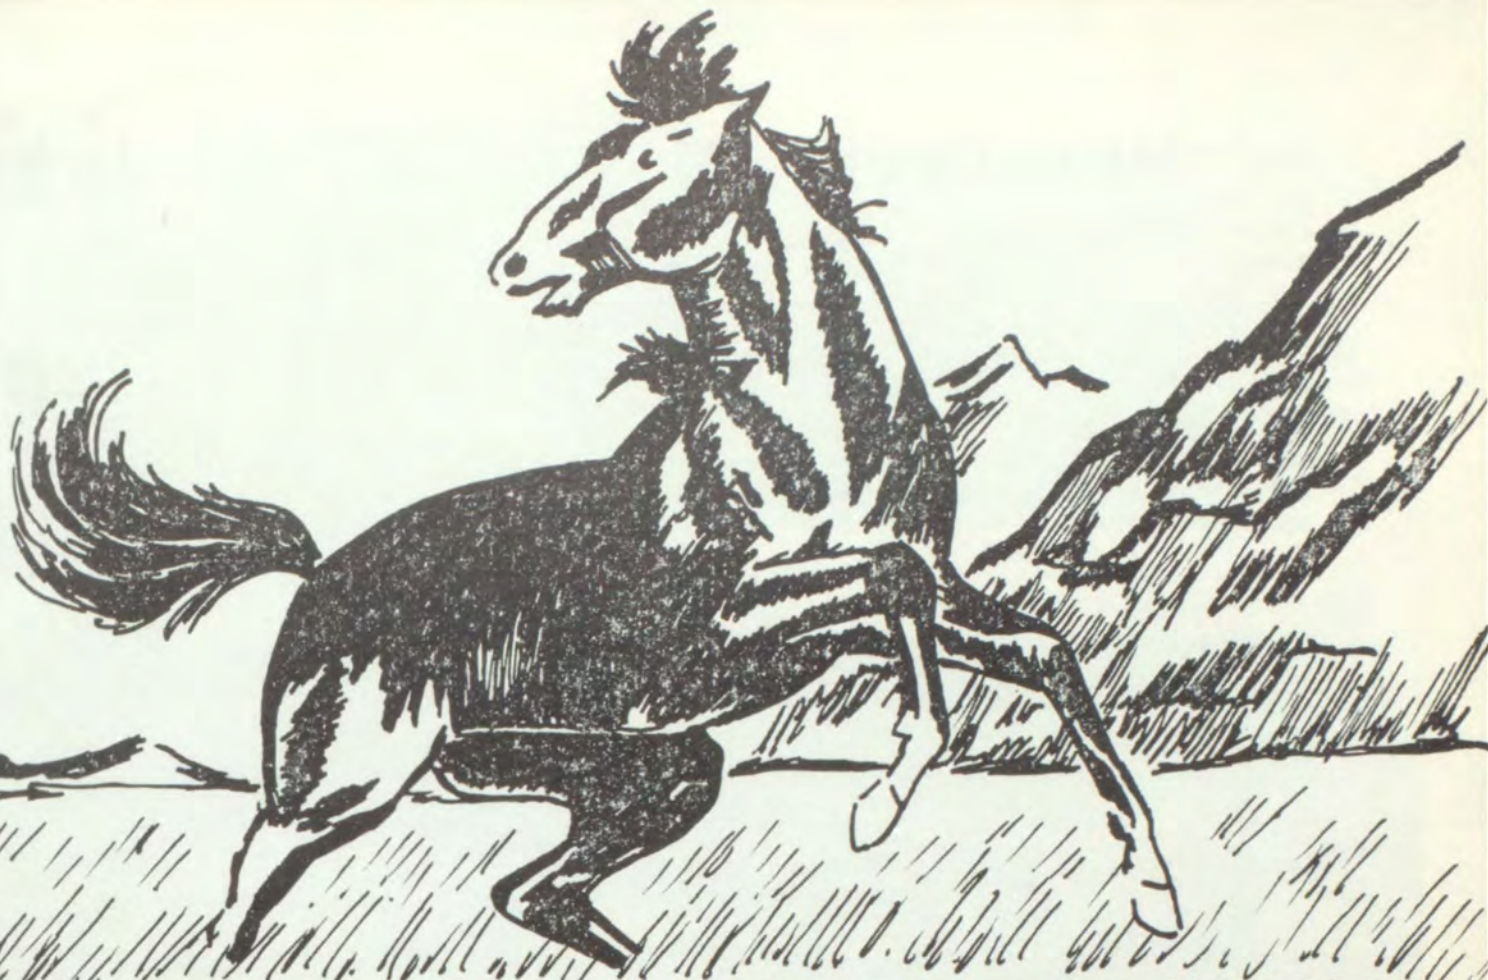

# DEDICATION

The Annual Staff of 1978-1979 would like to dedicate this annual to the people of our community. You have supported us in every way: in our sports, in our organizations, and in our class projects. You have backed us whether we won or lost—whether we succeeded or failed.

Not only have you helped us in school, but you have helped bring us up in a community filled with love and friendship. These things we will remember always. To express our gratitude, we dedicate the 1979 Mustang Roundup to you—the community.

In the days of gunfighters, cowboys, and pioneers, herds of wild Mustangs roamed the Western Plains. Today a new breed of Mustangs has appeared in a small West Texas town spreading spirit and traditions. We herd this wild bunch of Mustangs together in

THE MUSTANG ROUNDUP.

# SUPERINTENDENT Bill Everett

I wish to thank the students and faculty of Sands School for the warm welcome that they have extended to my family and me in our first year here. You have made this an extremely successful year with your spirit and attitude as shown in both the classroom and the field of athletics.

Let us continually look to the future as we attempt to make our school the best possible place for learning and doing. There will always be room for improvement because individuals or schools that stop to congratulate themselves on their past accomplishments will find themselves falling behind. Live every day as an adventure, and challenge yourself to improve yesterday's performance.

Sincerely,

Bill Everett

May I take this opportunity to thank the sponsor and staff for an outstanding yearbook. This yearbook is a tribute to the annual staff for the many faithful hours of work that went into its making.

It is my sincere hope that each student in Sands Independent School District has been exposed to an education that will help him or her live in a democratic society, where they have a right to think, speak, and to act happily and effectively.

Again I express to you my thanks for a job well done.

PORTRAITS TRADITIONAL THIRD DIMENSION DOUBLE IMPRESSION

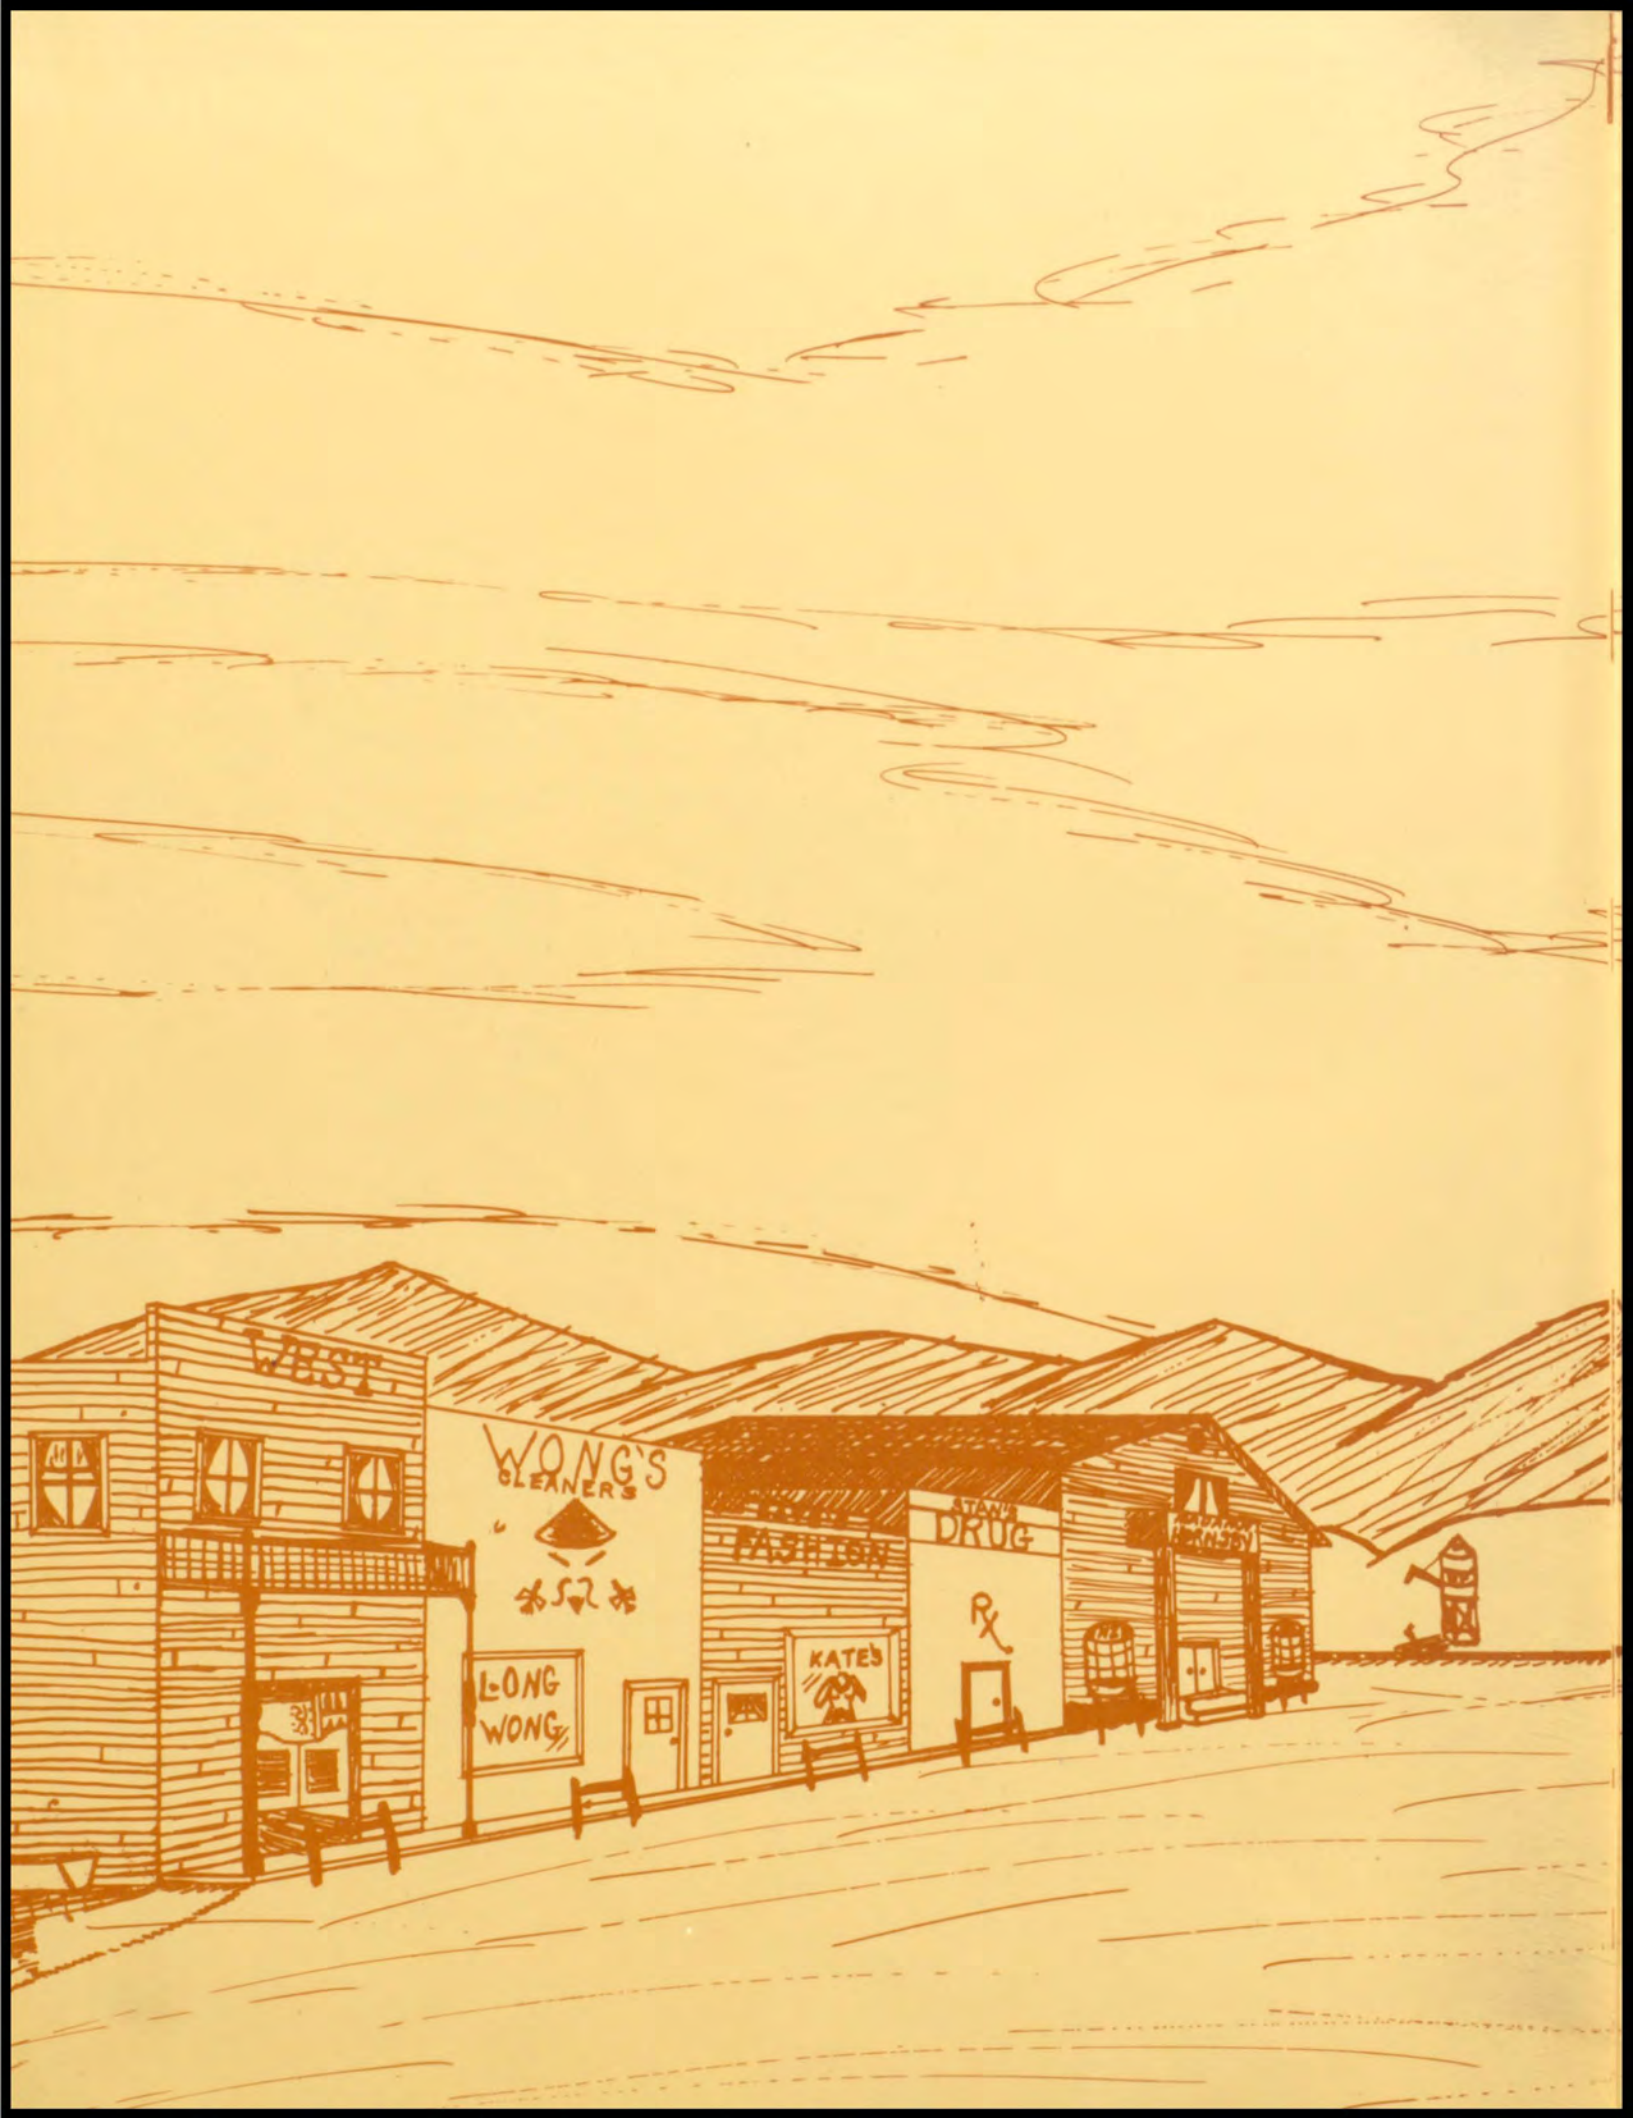

Through the years, the Wild Bunch has shared many experiences. These have resulted in some of the best memories of our lives. The sun sets on twelve happy, successful years for the Wild Bunch. Our time as one—as Mustangs—has come to an end. The sun is rising, however, on a future bright with promise and filled with opportunity for the members of the Wild Bunch. Whether separate or together in days to come, our memories will keep us as one.
