Student Council President

David Hall

During the last year I have learned the importance of giving 100%. The hardwork of the Student Council, Faculty, and Parents helped to make it a successful year. I would like to thank all of the people that helped with the Halloween Carnival and all the other Council activities. Student togetherness will always make Sands High strong. I am personally very proud of our school and very grateful for having had a special part in it during my last year.

Sincerely,
David Hall

SUPERINTENDENT BILL EVERETT

Congratulations! You people have done it again! You have come through for us with flying colors in so many ways during the school year of 1979-1980. It has been a most successful year in a majority of our endeavors and the student body and employees of Sands deserve a lot of credit.

To the departing seniors I would like to say that we are going to miss you a lot. There will be no other class to take your place. You are the Class of 1979-80 and whatever you do with your life, you will always remember the good times that went into making up your school life in general and your senior year in particular.

To the returning students let me hasten to encourage you not to rest upon what has been accomplished in the past but to plunge into a new year with added enthusiasm for the tasks that will be ahead. Don't ever be satisfied with being average. Remember, average is the best of the worst or the worst of the best. You must rise above that. May God bless!

It is my sincere desire that each of you can say the 1980 school year has been pleasant and profitable, and that this annual will serve to recall to your minds many, many happy experiences in the Sands School.
