Congratulations to the Annual Staff for a job well done. This year-book is a tribute to the Annual Staff for the many faithful hours of hard work. To the Teachers and Student body, I would like to say thank you for making this school year an enjoyable one.

It is my sincere desire that each of you can say the 1980-81 school year has been pleasant and profitable, and that this annual will serve to recall to your minds many, many happy experiences in the Sands School.

Sincerely yours,

Dave Smith

HIGH SCHOOL PRINCIPAL

Dan W. Schaefer

Whatever years are allotted to each of us, no one ever knows ahead of time; that is one of the "sweet mysteries" of life. One thing is certain, however. When a moment passes by, it is gone forever, and nothing can recall it. So it is with the years in high school, which for our seniors, are only memories now.

For some, these remembrances are tender and warm; for others they are bland, neutral, perhaps even colorless. In Shakespeare's words, however, "What's done cannot be undone." None the less, there is a large-looming future awaiting all of you which ought to be seized aggressively so that your lives will be filled with time well spent and years well lived. Take the future and let it be yours; make the world and your place in it what they ought to be.

With best wishes always,

Dan W. Schaefer
Principal
