As we begin the 1982-83 school year, we anticipate the start of construction on the new facilities as well as the renovation of the old. However, we realize that many of the places so familiar and dear to us may no longer be the same. Throughout the pages of this yearbook we hope to preserve some of these treasures as we remember . . .

JAMES F. BLAKE

The future begins all over again with every tick of the clock. Today's children will live their adult lives in a world we cannot envision. Our school must prepare each child for just that world; however, education doesn't stop when a child walks out of the school building. In a way, it's just beginning, and because of that, the SANDS C.I.S.D. strives to maintain a partnership with the community that spells success for our kids. This is a challenge to all administrators, teachers, students and parents to work together for better adult citizens and leaders of the Mustang population. Congratulations, Seniors, on the 1983 Annual.

Sincerely, James F. Blake

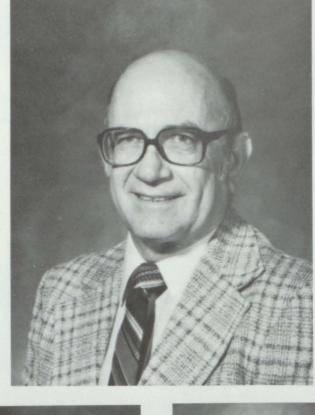

Administrators—James F. Blake, Superintendent; Henry Hunter, Elementrary Principal; and Dave Smith, High School Principal.

HIGH SCHOOL PRINCIPAL

Dave Smith

Education is the foundation of the future. May the students of Sands CISD build a solid foundation that will support a successful Career. To realize this and to prepare well, today is our opportunity and our challenge. Congratulations to the Seniors of 1982-83. Best wishes to you and to the Sands Student Body.
