

## Sands CISD (Area 2)

Sands CISD is a small, rural PK-12 school (245 students) located in Ackerly, Texas. We are 75 miles from Lubbock, 90 miles to San Angelo, and 65 miles to Midland. We have a rich history of success in all areas and are in search of amazing educators to be a part of something great that lasts for generations!

Seeking Agriculture Science Instructor – Looking at adding a 2<sup>nd</sup> teacher.

### Qualifications

- Bachelor's degree from an accredited college or university
- Valid Texas teaching certificate with appropriate endorsement
- CDL or willing to obtain before school starts

Contract: 11- month contract with a \$10,000 dollar stipend for FFA duties, \$8500 above state base, and District pays \$500 towards health insurance. No current school housing available but houses are available for rent in town and we will help applicant find a suitable house.

### Responsibilities

- We have a strong emphasis in Ag Mechanics and looking to add other avenues.
- Possess strong classroom and lab management skills.
- Help serve as 2<sup>nd</sup> FFA Advisor
- Train successful LDE and CDE teams
- Assist students with record book, application awards, and scholarships
- Strong organizational, communication, interpersonal skills, with strong discipline in and out of the classroom.
- Highly energetic, dedicated, and willing to support other programs.

### Benefits/Facilities

- Administrative, Board, and Community support for a strong Agriculture Science program.
