

## Special Education teacher

Sands CISD is looking for a special education teacher that will serve in a variety of capacities in grades PK-12. The position will be heavily involved in small group instruction of elementary age special education students across all content areas. Sands CISD provides intense, specialized instruction within our special education department that pushes our students to reach their potential. We thrive on creating a supportive, family environment within our department that develops real-world skills in our students. We are looking for student-first employees who share our vision of creating this type of environment.

Salary will be based on the District Salary scale which pays well above state base and pays \$500/month toward health insurance.

Housing (low rent) is available.
